BRAMA 36-INCH GAS RANGE HOOD (STAINLESS)

The stainless Brama 36-Inch Gas Range Hood, designed for under cabinet installation, makes for an attractive and functional addition to any home kitchen. The hood is constructed to match the high powered BTU of a 36-inch gas range. Backed by powerful dual fans and highly efficient 4-speed blower technology, extracting odors, fumes, and chemicals from your kitchen is a breeze. Removable baffle filters also allow for easy cleaning, simply detach and run through the dishwasher—no need to waste hours trying to remove grease from hood crevices.

- Remote control sensor
- Delay power-off timer function
- The hood features one (8" top round) opening
