

**Safety**

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

**Directions for Use**

Dispense HS DETERGENT 66 directly from its shipping container using an automatic liquid dispensing system. The authorized representative servicing your facility will establish a program suitable for your individual requirements.

HS Detergent 66 is a non-phosphate, laundry detergent with builders. Designed for use in hard water and heavy soil conditions. Improves results by sequestering minerals. Contains anti-redeposition agents. Attacks grease, powers out tough stains. Flexible enough to be used in 3-product systems. Safe for all types of natural and synthetic fabrics. May be used in hot, warm and cold wash programs. For institutional laundry use only.

**Features & Benefits**

Concentrated detergent / breaker.

Flexible formula.

Removes heavy soils.
