

Wall Power®

Foaming Wall Washer

Powerful, foaming wall cleaner that quickly removes dirt, smudges, fingerprints and smoke film.

Features & Benefits

- Formulated to remove dirt, grime, grease build up and smoke films without scrubbing
- Foaming action clings to vertical surfaces and breaks up soils for fast and easy cleaning
- Cleans all washable surfaces

Applications

- Use as a spray-and-wipe application
- Use on any water-washable hard surface

Use Instructions

- Remove wall hangings. If surface is being cleaned for first time check for color fastness. Harsh rubbing or scouring is not needed and should be avoided to prevent harming delicate surfaces.
- Shake can thoroughly before using shake frequently during use
- Hold about 6–8 inches from wall and spray in a sweeping motion over 4' x 4' area. Wipe with a damp cloth or sponge. Repeat for next area. Occasionally rinse out cloth or sponge as it becomes soiled.
- For ceilings, baseboards and small areas, spray product on damp cloth or sponge and wipe. Turn cloth or sponge to wipe up.
- For stubborn spots spray over soiled area and wipe up with a cloth or rub with a soft bristled brush. Repeat step if necessary. Suitable for use on walls and non-food contact surfaces in food processing/ non-processing areas. Avoid contamination of food contact surfaces in the application of this product. Food contact surfaces must be thoroughly rinsed with potable water. Do not store in food processing areas.
