

Prime Cut™/MC Ultra

D2.1

Degreaser

Prime Cut™/MC Ultra is a concentrated blend of surfactants that delivers quality degreasing of hard surfaces. It is designed for cleaning all kitchen surfaces, including floors, counters, working surfaces and walls.

Features & Benefits

- Provides instant long-lasting suds, even in the presence of grease and oil
- Cleans fast and easy without scrubbing
- Rinses freely
- Super-concentrated for good cost in use

Applications

- For use as cleaner/degreaser for food contact surfaces
- Use with multiple cleaning methods, including foaming, spraying, steam cleaning, mopping, brushing or wiping

Suma[®] Prime Cut^{™/MC} Ultra

Degreaser

Use instructions

- Dispense Prime Cut^{™/MC} Ultra Degreaser use-solution from the appropriate dispenser or mix ½ oz. to 1 gallon (15 mL to 3.78 L) of water for a 1:256 dilution.
- A potable water rinse is required after use.
- May be applied through foam generators, pressure spray equipment, steam cleaning equipment or for manual cleaning of floors, counters, working surfaces and walls.
- Avoid contamination of food during use or storage.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
