

DUAL-PURPOSE PEEL & STICK TACK STRIP

120014

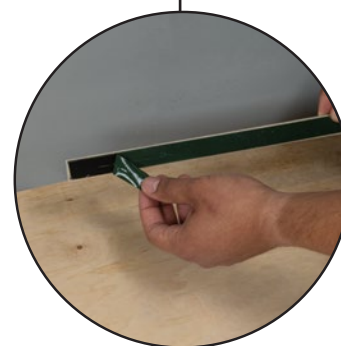

LOW-FORMALDEHYDE
Manufactured using Carb Phase II and
TSCA title VI compliant materials

DUAL PURPOSE
Ideal for installation of carpet over
wood or concrete subfloors

SECURE
Grips instantly, and is immediately
ready for stretching

CONVENIENT
To install, remove cover strip to expose
adhesive back and press in place

Capitol® 7/8" Dual-Purpose Peel & Stick Tack Strip has a strong adhesive backing to firmly hold the strip to the subfloor. Designed to make carpet installation quick and easy, this tack strip instantly grips carpet, allowing for immediate stretching, and can withstand standard power stretching.
