

COMPACT KNEE KICKER

110301

COMFORT
Foam grip provides added comfort

EASY TO MANUEVER
Lightweight aluminum body

SECURE
3 nap grips to hold carpet firmly

Capitol® Compact Knee Kicker tightens and helps repair loose carpet in small spaces like hallways and closets. Its triple nap grip design holds the carpet firmly in place, and because it has no pins, it is ideal for low-pile carpet. The thick, foam-filled bumper pad, and non-slip, comfort-foam hand grip make this knee kicker comfortable to use.
