

ECL3

Self Diagnostic LED Combo Exit Sign & Emergency Light

The NICOR ECL3 Series offers self-diagnostic testing in an Exit/Emergency combo. Provide direct illumination to any paths of egress with the high output and adjustable LED heads. The evenly illuminated exit sign is available with red or green stencils and two faces for single or double face options. Installation is easy with surface, ceiling, or wall mount options along with field removable chevrons for universal configuration.

Input Voltage (VAC)
120/277

Power Draw (W)
3.3

Emergency Operation
90 minutes
