

## PRESSURE SENSITIVE **DOUBLE-SIDED TAPE**

### 142015

#### **STRONG BOND**

Aggressive adhesive with thick scrim holds carpet securely

#### **NO HEAT REQUIRED**

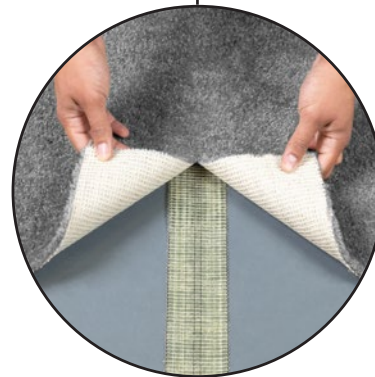

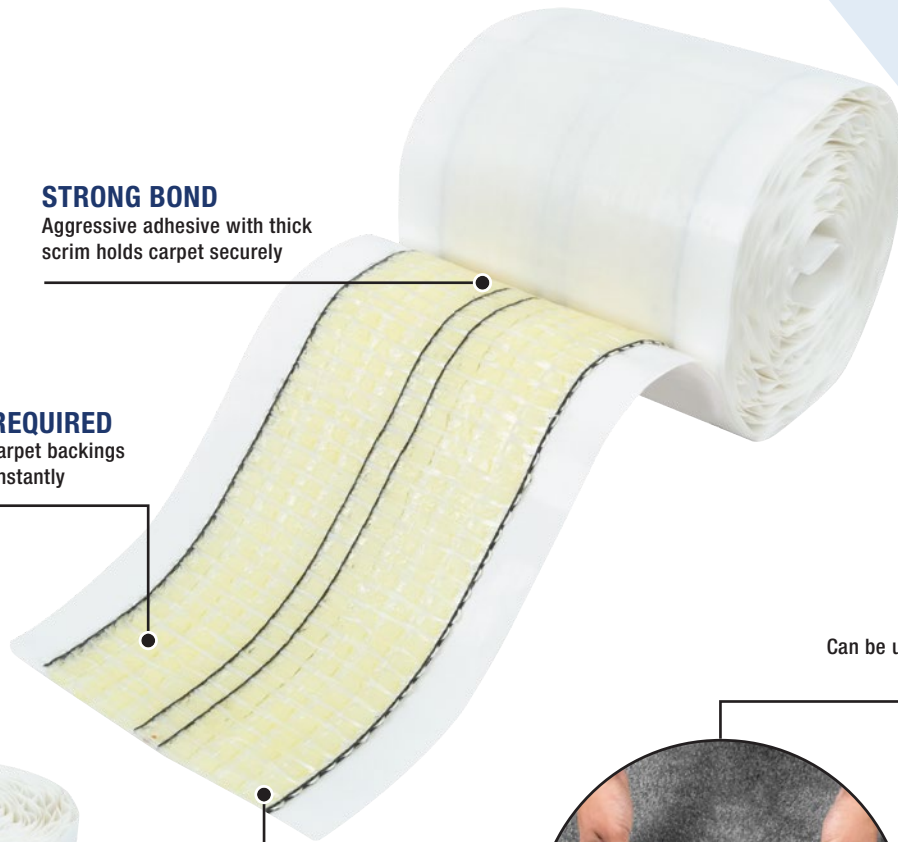

Bonds to all carpet backings and adheres instantly

#### **VERSATILE**

Can be used for indoor or outdoor settings

#### **APPLICATION**

For the permanent installation of carpets

Capitol<sup>®</sup> Pressure Sensitive Double-Sided Tape features a powerful adhesive that creates a strong bond between the backing of the carpet and the floor surface. This tape does not require heat or the use of heat-bond irons, and is less messy than the standard heat-bond adhesives. Its peel, stick, and press method makes carpet seaming easier and installation time shorter. It can be used for repairs of indoor and outdoor carpet.
