

PROFESSIONAL CARPET KNEE PADS

110100

STRATEGIC

Extended cushioned top strap helps reduce shock from knee kickers

SECURE

Wide straps hold knee pads in place

COMFORTABLE

Soft, neoprene straps won't pinch the back of legs

CONVENIENT

Built-in loops to store a pencil or row finder

Designed for installers, Capitol® Professional Carpet Knee Pads provide superior cushioning and support to the knees. They feature wide, comfortable non-pinching straps to hold them in place, and a padded upper strap specifically designed for use during knee kicking.
