

# Cuisinart® Single-Serve Microwave Popcorn Makers

Do not fill kernels past internal fill line. Refer to the chart below.

Popcorn Kernel Amount	Time for 1 popcorn maker*	Time for 2 popcorn makers*
1 Tablespoon per maker yields approx. 2 cups	1 minute 50 seconds	3 minutes 10 seconds
2 Tablespoons per maker yields approx. 3¾ cups	2 minutes	3 minutes 40 seconds

Microwave times vary. Times above are for a 1000W microwave.

\*Listen and stop the microwave when popping slows. Overcooking may cause scorching.

## IMPORTANT SAFEGUARDS

Allow makers to cool down before handling or moving.

Extreme caution must be used when opening as hot steam will escape.

Always use oven mitts to remove from microwave and while opening.
