

PRESSURE SENSITIVE **SINGLE-SIDED TAPE**

142432-12

EASY TO USE

Easy to apply and remove

NO HEAT REQUIRED

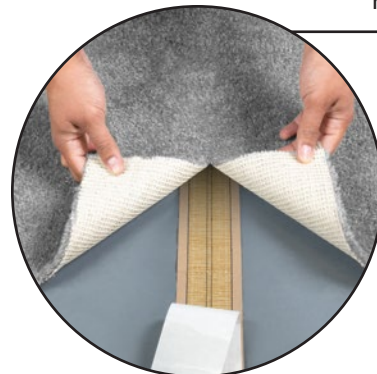

Bonds to all carpet backings
and adheres instantly

APPLICATION

Seams low-traffic areas
during carpet installation

VERSATILE

Can be used for temporary
repairs of indoor carpet

Capitol[®] Pressure Sensitive Single-Sided Tape seams low-traffic areas such as closets during carpet installation. This tape may also be used for temporary repairs. No heat is required for installation, making the install time shorter without the need for heat bond irons. The peel, stick and press installation method makes seaming carpet quick and easy.
