

RAISED-HANDLE **DUCKBILL NAPPING SHEARS**

115200

OPTIMIZE

Even-sized finger loops optimize ease of use for right or left-handed installers

COMFORT

Cushioned, vinyl coated handle

PRECISION

High-carbon steel precision cutting blades

PLACEMENT

High-polish, steel finished duckbill blade maintains level trimming

OFFSET HANDLE

Keeps fingers off carpet and prevents gouging while napping

Capitol® Raised Handle Duckbill Napping Shears are the perfect tool for quick, easy, and precise carpet trimming. Even-sized finger loops optimize ease of use while extra-wide handle openings accommodate large hands comfortably. Designed with an offset handle, chrome-plated blades for maximum durability, and flat duckbill to ensure proper height, these shears give you control of the cut to ensure precision.
