

LINED HI-VIS ORANGE GRAIN PIGSKIN PALM WITH SAFETY CUFF

Style No. 1938

- 1

High-visibility orange water-resistant polyester fabric back-of-hand promotes a flexible range of motion & improves low-light visibility
- 2

Golden grain pigskin protects the palm with exceptional durability, & due to its porous nature, remains soft & flexible after getting wet
- 3

Lined water-resistant polyester fabric heavy-starched safety cuff guards wrist from outside elements & helps to trap heat & deflect debris when layered over long sleeves
- 4

Shirred elastic tightens the shell material to the shape of the hand above the widening of the palm & provides an additional preventative measure to block particles from further entering the glove
- 5

Leather palm extending to the wrist offers additional inner-wrist protection & reduces stress & damage to the seam
- 6

Turned polyester fabric hem is a simple rolled hem that creates a finished look & helps prevent fraying
- 7

Reflective knuckle strap offers industry leading reflectivity to maximize visibility & safety in hazardous low light conditions
- 8

Wrap-around index finger design creates increased durability & comfort, & ensures that the high-rub areas on the exterior of the finger are not compromised by potential thread or seam failures
- 9

Golden grain pigskin patches at the distal end of the fingers provide a protective barrier around the fingernails & fingertips, which reinforces the base material & seams for added wear
- 10

Angled wing thumb design, which is seamless between the palm & thumb, offers additional flexibility & comfort
- 11

High-performance signature **Heatkeep®** thermal insulation, laminated to a soft TR2 inner lining, provides superior heat-retention by trapping heat, repelling the cold, & wicking away moisture
- 12

Gunn cut pattern allows for fewer seams between the fingers, reduces the exposure of seams in high-wear areas of the palm, & allows the back-of-hand-of hand base material to remain seamless for longer wear & comfort
- 13

Pairing hook keeps gloves together when not in use

KINCO®

Also available in:

Hi-Vis Green - 1939

FEATURES

Genuine Leather

Reflective

Thermal

SUGGESTED USES

- ✓ Limited Visibility
- ✓ Roadside Construction & Services
- ✓ Towing & Winching
- ✓ Wood Chopping & Logging

PERFORMANCE

- BETTER

ABRASION RESISTANCE
- GOOD

DEXTERITY & PLIABILITY
- BEST

DRIES SOFT & FLEXIBLE
