3M Science. Applied to Life.™

Give yourself high visibility with great flexibility.

Add reflectivity to vehicles with corners and curves using 3M™ Flexible Conspicuity Tape Series 913.

Easily add visibility to vehicles, trailers and equipment of all shapes and sizes with 3M™ Flexible Conspicuity Tape Series 913. It's thin and flexible, so it's easy to cut and easy to apply, even around corners and curves.

These bright tapes are UV durable to last mile after mile in harsh environments. They can also be applied in temperatures as low as 2°C—talk about flexibility.

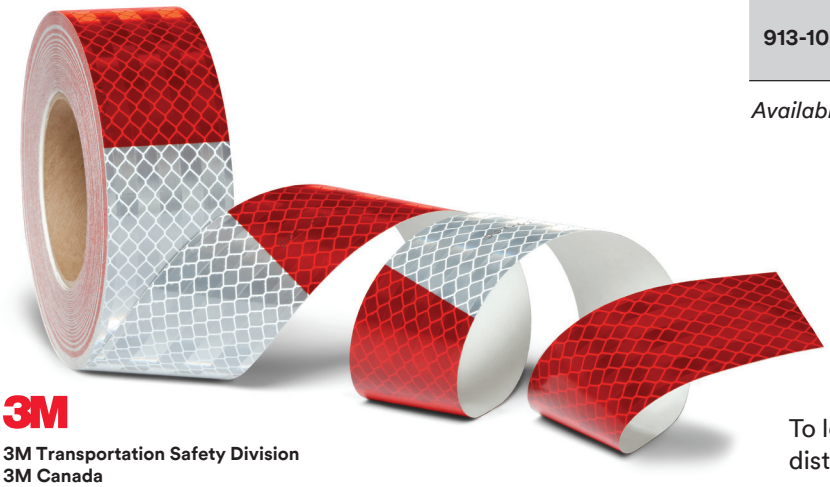

Meeting regulations. Exceeding expectations.

3M™ Flexible Conspicuity Tape Series 913 offers colour properties and retroreflectivity values that meet the CMVSS 108 regulation. Plus, it gives you the flexibility you need to give your vehicles and equipment outstanding visibility.

- UV durable
- Apply in temperatures as low as 2°C
- 5-year warranty
