Product Information

For the latest manuals, product information, technical specifications, and declarations of conformance, please visit: www.StarTech.com/P2CDD143-KVM-SWITCH

Package Contents

- KVM Switch x 1
- USB-C to USB-A 10Gbps Cable x 2
- Universal Power Adapter (NA/EU/UK/ANZ) x 1
- Set of Rubber Feet x 1
- Quick-Start Guide x 1

Requirements

Source PCs

- DisplayPort Enabled Computer x 2
- DisplayPort Cable x 4
- (Optional) 3.5mm 4-Position TRRS Audio Cable x 2

Console

- DisplayPort Display x 2
- DisplayPort Cable x 2
- USB Mouse x 1
- USB Keyboard x 1
- (Optional) Audio Device (e.g. Headset) x 1
- (Optional) SuperSpeed USB 10Gbps Devices x 2

Installation

Connect the Console

Note: Power off all Computers, Displays, and Peripherals before completing the following steps.

1. Connect the two **DisplayPort Displays** to the **Console DisplayPort Ports**, located on the rear of the **KVM Switch**, using **DisplayPort Cables** (sold separately).
2. Connect a **USB Mouse** and a **USB Keyboard** to the **Console USB HID Ports**, located on the rear of the **KVM Switch**.
3. (Optional) Connect an **Audio Device** to the **Console Audio Port**, located on the rear of the **KVM Switch**.
4. (Optional) Connect up to two **SuperSpeed USB 10Gbps Devices** to the **Console USB Hub Ports**, located on the front and rear of the **KVM Switch**.

Regulatory Compliance

FCC - Part 15

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by StarTech.com could void the user's authority to operate the equipment.

Industry Canada Statement

This Class A digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe [A] est conforme à la norme NMB-003 du Canada.

CAN ICES-3 (A)/NMB-3(A)

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

(1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

(1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Warranty Information

This product is backed by a two-year warranty.

For further information on product warranty terms and conditions, please refer to www.startech.com/warranty.

Connect the PCs

1. Connect two **DisplayPort Cables** (sold separately) from the **DisplayPort Output Ports** on the **Computer** to the **PC 1 DisplayPort Input Ports**, located on the rear of the **KVM Switch**.
2. Connect the included **USB-C to USB-A Cable** from a **USB-A Port** on the **Computer** to the **PC 1 USB-C Host Connection**, located on the rear of the **KVM Switch**.
3. (Optional) Connect a **3.5mm Audio Cable** (sold separately) from the **Headset Port** on the **Computer** to the **PC 1 Audio Port**, located on the rear of the **KVM Switch**.
4. Repeat **Steps 1 to 3** for the remaining **PCs**.
5. Connect the included **Power Adapter** from an available **Wall Outlet** to the **Power Input Port**, located on the rear of the **KVM Switch**.
6. Power on all connected **Peripheral Devices**.

Operation

Hotkey Commands

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

Safety Measures

If product has an exposed circuit board, do not touch the product under power.

Mesures de sécurité

Si l'un des circuits imprimés du produit est visible, ne pas touchez le produit lorsqu'il est sous tension.

安全対策

製品に露出した状態の回路基盤が含まれる場合、電源が入っている状態で製品に触らないでください。

Misure di sicurezza

Se il prodotto ha un circuito stampato visibile, non toccare il prodotto quando è acceso.

Säkerhetsåtgärder

Rör aldrig vid enheter med oskyddade kretskort när strömmen är påslagen.
