Reclosable Fasteners

3M™ Nonwoven Landing Zone

3M™ Nonwoven Landing Zone is a soft, flexible non-woven material for use on disposable baby diapers. Its lightweight non-woven construction provides a breathable option to help enhance baby comfort. A secure closure system can be achieved when combined with a variety of 3M™ Hooks and Hook Laminates.

- Soft appearance and feel
- Breathable performance to help enhance baby comfort
- Secure closure performance
- Available in both printed and unprinted versions
- Available in both wave and hexagon patterns
