

PEARL GRAIN GOATSKIN DRIVER

Style No. 92

- 1

Naturally soft & supple pearl full grain goatskin provides excellent durability paired with ample dexterity & pliability
- 2

Easy-On™ with shirred elastic wrist facilitates quick on & off use, while the elastic tightens on the shell material & provides additional preventative measure to block particles from further entering the glove
- 3

Pieced goatskin hem incorporates an added piece of material, which creates a finished look, holds all layers of the glove together, & prevents fraying
- 4

Out-seam index finger provides the smooth, comfortable feel of a seamless interior & eliminates rub points that often accompany bunched material typically inside the glove
- 5

Ergonomic keystone thumb design, which includes an extra sewn-in piece of material, offers flexible, full-range of motion & helps to prevent hand fatigue
- 6

Gunn cut pattern allows for fewer seams between the fingers, reduces the exposure of seams in high-wear areas of the palm, & allows the back-of hand base material to remain seamless for longer wear & comfort
- 7

Leather welt at high-contact base of middle & ring fingers reinforces seam strength & durability
- Size(s): S, M, L, XL
- Also available in Women's (92W)
