3M Science. Applied to Life.™

Get Cleaner Quicker

Get improved performance for your quick cleaning jobs. The 3M™ High Power Spray Gun Cleaner blasts excess paint off any spray gun equipment. You can use it to remove solvent-based and waterborne paints and coatings from metal, plastic and composite surfaces.

Tackle tight spots easily with the included extension tube and reduce the use of solvents during cleanup of spray equipment with this easy-to-use aerosol gun cleaner.
