

HydroFLECTOR™ LINED WATER-RESISTANT PREMIUM GRAIN COWHIDE DRIVER

Style No. 398HKP

- 1

Tan **aquaHIDE™** water-resistant premium full grain cowhide provides excellent protection in wet conditions, good durability from wear & tear, & shields the hand from punctures & abrasions
- 2

Easy-On™ cuff with shirred elastic wrist facilitates quick on & off use, while tightening the shell material to the hand for a secure fit & providing an additional preventative measure to block debris from further entering the glove
- 3

Pieced grain cowhide leather hem incorporates an added piece of material, which creates a finished look, holds all layers of the glove together, & prevents fraying
- 4

Out-seam index finger provides the smooth, comfortable feel of a seamless interior & eliminates rub points that often accompany bunched material typically inside the glove
- 5

Ergonomic keystone thumb design, which includes an extra sewn-in piece of material, offers flexible, full-range of motion & helps to prevent hand fatigue
- 6

High-performance signature **Heatkeep®** thermal insulation, laminated to a soft TR2 inner lining, provides superior heat-retention by trapping heat, repelling the cold, & wicking away moisture
- 7

Gunn cut pattern allows for fewer seams between the fingers, reduces the exposure of seams in high-wear areas of the palm, & allows the back-of hand base material to remain seamless for longer wear & comfort
- 8

Leather welt at high-contact base of middle & ring fingers reinforces seam strength & durability

GAINS FLEXIBILITY WITH CONTINUED WEAR!

FEATURES

Genuine Leather
