WINE ADVOCATE

FEBRUARY 2025

The 2021 Cabernet Sauvignon is about half from Mount Veeder and half from Yountville, with just a touch of Atlas Peak fruit, but it's all Cabernet Sauvignon matured 18 months in 100% new French oak. Despite the monovarietal composition, it's deliciously floral on the nose, with riotous notes of crème de cassis joined by deeper tones of black cherries. Full-bodied and concentrated, it's richly tannic but fully ripe, finishing long and velvety.
