

CLAY CREEKTM

VINEYARDS

2024 • PINOT NOIR

CALIFORNIA

From our family to yours,
we happily share our favorite delectable wines made
with grapes from some of California's finest vineyards
and bottled at our family's sustainable winery. Bring
out your favorite wine glass and pour yourself a
moment of pure California joy.

Wine

The 2024 Clay Creek Vineyards California Pinot Noir features aromas of plum, dark fruit, and toasted oak that mingle with subtle nuances with mocha. This elegant wine offers flavors of black cherry, plum, and spice. It boasts a medium-body, silky tannins that culminates in a full and toasted oak finish.

Vintage

The cooler winter of 2024 delayed the season's start, allowing additional color to develop in Pinot Noir. Without major heat spikes, the fruit ripened at a steady rate for optimal ripeness come harvest time. Harvesting mostly occurred in the cool evening to early morning hours benefiting from a cool delta breeze.

Vineyards

The Pinot Noir grapes were carefully selected from diverse vineyards in California. The vineyards are blended from cool and warm climates to create complexity and layers of flavor.

Winemaking

Picking decisions are based on winemaker evaluation, vineyard condition, and proper flavor ripeness. The grapes are delivered to the winery cold, destemmed to a fermenter, and allowed to soak for 24 hours before fermentation began. The wine was then slowly warmed to fermentation temperatures and then drained and pressed when the winemaker deemed the tannin balance to be correct. After fermentation, the blend was assembled and aged in French and American oak for approximately 6 months.

Appellation: California | Alcohol: 13.5% by Volume | Total Acid: 0.56g/100ml | pH: 3.65 | RS: 0.63g/100ml
