Package Contents

- USB 3.0 Gigabit Ethernet Adapter x 1
- Quick-Start Guide x 1

Requirements

For the latest manuals, product information, technical specifications, and declarations of conformance, please visit:
www.StarTech.com/USB31000SAX

Installation

1. Connect the **Ethernet Adapter** to a **USB-A Port** on the **Host Computer**. The **Ethernet Adapter** should auto-install using native drivers.
2. If the drivers do not auto-install, please follow the instructions below.

Download the Driver

1. Navigate to: www.StarTech.com/USB31000SAX
2. Click the **Drivers & Downloads** tab.
3. Under **Driver(s)**, download the **Driver Package** corresponding the **Operating System** installed on the **Host Computer**.

Install the Driver

Windows

1. Right-click the zipped **Driver Package** that was downloaded. Click **Extract All**. Browse to the newly created folder.

Note: Ensure to make a note of the location where the drivers were extracted. That location will be used on the next step. Windows usually saves the files to the Downloads folder associated with the user account (e.g. C:\Users\useraccount\Downloads).

2. Open the folder corresponding to the Windows version installed on the **Host Computer**.

3. Right-click the **Installer Setup file**.
4. Click **Run as Administrator**.

Note: If the Run as Administrator option is not available, you could be attempting to run the Installer Setup from within the zipped Driver Package. Extract the files using the instructions in Step 1 in the Install the Driver section.

5. Follow the on-screen instructions to install the **Device Driver**. Restart the **Host Computer** if prompted.

macOS

1. Double-click the downloaded file.
2. Open the folder corresponding to the macOS version installed on the **Host Computer**.
3. Run the **Installer Setup file** inside the folder.
4. Follow the on-screen instructions to install the **Device Driver**. Restart the **Host Computer** if prompted.

Linux

1. Extract the contents of the **Driver Package**.
2. Follow the instructions in the accompanying **Readme** file to finish the installation.
