

V-Gard Shade 5 / Headgear

Facial Protection

The V-Gard 190 Shade 5 Plus Face Shield was specially designed for use in environments with high incidence of infrared radiation (IR) with a shade 5 filter. It is ideal for jobs where the application is gas welding and contact with liquid metal. Composed of gray plastic (HDPE) support, black plastic suspension with height adjustment at the top and adjustment through the ratchet plus shade 5 green polycarbonate display and measures 203mm in height, 432mm in width and 1.8 in thickness. The set is light and tilting. The Headgear face protection is supplied containing sweat-absorbing bands in all versions, providing greater comfort to the user.

The V-Gard 190 Shade 5 Plus Face Shield CA 34385 is a set obtained by assembling components from the V-Gard® Face Shield line, specially designed to protect the wearer's eyes and face against frontal flying particle impacts and particle impacts. multidirectional steering wheels. It is designed to provide maximum protection to workers in applications such as: welding, sawing, cutting, machining and grinding. It fully complies with ANSI/ISEA Z87.1 and has an approval certificate from the Ministry of Labor and Employment. The MSA 190 SHADE 5 PLUS Face Shield is an excellent choice for users who need face protection in welding applications

and IR incidence, as it has a filter feature for IR, being tested and approved nationally and internationally by the standards: ANSI/ISEA Z87.1-2010, EN 166 (2C-1.2 MSA1BT89KN) , CSA Z94.3 and AS/NZS 1337. Exclusively designed for integrated face protection with V-Gard®, V-Gard® 500 and Max T-Gard® helmets, it can be easily integrated into the muffler kits via the side rails (toothed shank). Spare parts are available, such as visor, bracket and chin guards, standard or retractable (only applicable to Plus models), and also debris guard as an optional accessory.

Materials and Components

Lens - Polycarbonate

Support - High density polyethylene (HDPE)

Dimensions: (HxWxE)

203 x 432 x 1

Lifetime Guidelines
