

LINED GRAIN PIGSKIN PALM WITH KNIT WRIST

Style No. 1928KW

- 1

Black cotton-blend canvas fabric on the back-of-hand offers lightweight, breathable coverage
- 2

Golden grain pigskin protects the palm with exceptional durability, & due to its porous nature, remains soft & flexible after getting wet
- 3

Black comfortable, form-fitting black polyester & elastic knit wrist at pulse-point, helps to retain warmth where heat often escapes the body, & prevents debris from infiltrating the glove
- 4

Shirred elastic tightens the shell material to the shape of the hand above the widening of the palm & provides an additional preventative measure to block particles from further entering the glove
- 5

Golden grain pigskin knuckle strap provides added protection from bumps & abrasions
- 6

Wrap-around index finger design creates increased durability & comfort, & ensures that the high-rub areas on the exterior of the finger are not compromised by potential thread or seam failures
- 7

Golden grain pigskin patches at the distal end of the fingers provide a protective barrier around the fingernails & fingertips, which reinforces the base material & seams for added wear
- 8

Angled wing thumb design, which is seamless between the palm & thumb, offers additional flexibility & comfort
- 9

High-performance signature **Heatkeep®** thermal insulation, laminated to a soft TR2 inner lining, provides superior heat-retention by trapping heat, repelling the cold, & wicking away moisture
- 10

Gunn cut pattern allows for fewer seams between the fingers, reduces the exposure of seams in high-wear areas of the palm, & allows the back-of hand base material to remain seamless for longer wear & comfort
- 11

Leather welt at high-contact base of middle & ring fingers reinforces seam strength & durability
- Available as a pair or pre-loaded corrugated floor display (KCFD2B-C006)
- Size(s): M, L, XL
