Decanter

A straightforward and delicious Napa Cabernet, part of Black Stallion's Limited Release tier, offering pure blackberry and plum fruit aromatics, with enticing notes of graham cracker crust and mocha. The palate is full-bodied, ripe, and fleshy, marked by flavors of blueberry and fig jam, supported by fine-grained, well-integrated tannins. The finish is enhanced by graphite minerality and additional dark cocoa notes. A true crowd-pleaser, this wine can elevate a meal now and will continue to impress over the next five to seven years

“Aromas of dark plums, mulberries, dried herbs and bark. Full-bodied with firm tannins. Chewy with a silky core of sweet berries and raw chocolate and a focused, vivid finish with excellent length. Try from 2026.”
