“Well-balanced, dense and textural with aromas of dark berries, chocolate and sliced raw beef. Full-bodied with chewy tannins and a powdery texture on the palate, with, robust frame shaping the palate and the spicy, cocoa powder finish. Excellent length. Try after 2025.”

Decanter

This Cabernet Sauvignon is made from a selection of grapes sourced throughout Napa Valley, with a significant portion coming from the Oak Knoll District, where Black Stallion is based. It's a classically fashioned wine with black cherry, plums, graphite, wild herbs and sandalwood notes. Full-bodied with a rich tapestry of robust tannins framing crunchy cherry and blackberry fruit, sweet oak spices, and fragrant wild herbs on the finish hinting at sage and spearmint.
