3M Science. Applied to Life.™

An Upgrade for Everyone

3M™ Hookit™ Clean Sanding Multi-Connection Disc Pad 30062

Get a better grip on your abrasive discs with the 3M™ Hookit™ Clean Sanding Multi-Connection Disc Pad. This replacement backup pad provides a stronger, more reliable attachment for paper, film, and net backed abrasives to 150 mm (6 inch) dual-action sanders.

The pad is built with a durable J-hook style hook-and-loop attachment that delivers a better grip on abrasives. The backup pad connects to 3M, Festool, and most other dual-action sanders.

The pad's 53-hole face means you don't have to fuss with disc alignment to get maximized dust extraction, regardless of the hole pattern.

Part Number	Product	Dimensions	Case Quatity
30062	3M™ Hookit™ Clean Sanding Multi-Connection Disc Pad	150 mm (6 inch)	5 per case
