

Qi2.2 25W Magnetic Wireless Charging Pad with USB-C Tethered Cable

Product ID

1PB-WIRELESS-CHARGER

1PW-WIRELESS-CHARGER

	Feature	Function
1	Wireless Charging Pad	- Transfers power wirelessly to compatible devices when properly aligned - Magnetic Power Profile (MPP) ensures proper charging pad alignment when attached to compatible MagSafe/Pixelsnap devices, or requires manual alignment for non-magnetic devices
2	Tethered USB-C Cable	- Connects the Wireless Charging Pad to a USB-C power source - Interfaces with a USB-C power adapter or host device to supply the required power - A minimum of 30W is required for optimal Qi2.2 25W charging performance

Package Contents

- Wireless Charger Pad x 1
- Product Documentation x 1

Note: For optimal performance a 30W USB-C wall charger or USB-C power supply is required.

Installation

Warning: Do not pull on the Tethered USB-C Cable to avoid damaging the cable, connector, or strain relief.

Magnetic Charging (MagSafe, Pixelsnap, etc):

- Place the **Wireless Charging Pad** on a flat surface. Do not hang or suspend a charging device by the cable as this could damage the charging pad and/or device
- Plug the **Wireless Charging Pad** into a device that provides USB-C Power Delivery. A minimum of 30W is required for full functionality and optimal charging.
- Align the phone (or other device) magnetic charging zone with the top of the **Wireless Charging Pad** (Startech logo side).
- The device will magnetically attach and begin charging.
- Gently separate the device from the **Wireless Charging Pad** once it is sufficiently charged.

Non-Magnetic Charging:

- Plug the **Wireless Charging Pad** into a device that provides USB-C Power Delivery. A minimum of 30W is required for full functionality and optimal charging.
- Carefully align the phone (or other device) wireless charging zone with the top of the **Wireless Charging Pad** (Startech logo side). **Note:** Proper alignment is required for charging; the device will not charge if misaligned.
- Lift the device off of the **Wireless Charging Pad** once it is sufficiently charged.
