BUILDER BOARD™

Heavy-duty floor protection designed for commercial and residential contractors.

Builder Board replaces the need for bulky sheets of Masonite and is tough enough to withstand heavy machinery and forklifts. Our Liquid Shield® technology protects surfaces from mud, heavy foot traffic, water and other liquids. Builder Board allows curing floors to breathe, preventing cure marks and promoting even finishes.

Ask about our Co-Branding option.

LIQUID SHIELD® BREATHABLE HEAVY-DUTY

TOUGHER THAN THE JOBSITE.

PRODUCT FEATURES

- Maximum breathability allows vapors to escape
- Tough enough for forklifts and scissor lifts
- One 100' roll covers approximately the same area as 10 sheets of ¼" plywood
- Use to earn USGBC LEED points
