

Located on the historic Silverado Trail in Napa Valley's Oak Knoll District, Black Stallion Estate Winery pays homage to the rich history of the 32-acre estate which was once home to the Silverado Equestrian Center. The property was purchased in 2010 by the Indelicato family, a fourth-generation family-owned company founded in 1924. Sourcing from some of the most prestigious vineyards, the winery is committed to making only the most expressive wines.

TASTING NOTES

Our Limited Release Napa Valley Cabernet Sauvignon is an elegant and hearty wine that is a quintessential Napa Cabernet Sauvignon. The wine invites you in with aromas of black berry and cassis with hints of cinnamon. The palate includes flavors of ripe fruit and dark jam with savory notes. The structure is hearty, velvety, and balanced – a delight for Napa Cabernet lovers to enjoy.

GROWING SEASON

The 2023 vintage in Napa Valley produced exceptional, high-quality, and memorable wines. The growing season was long, with consistent and mild weather, above-average crop yields, and extended hang time. The relatively cool weather throughout the growing season in tandem with an abundance of sunshine allowed grape skins to ripen slowly and develop a beautiful dark red color.

VINEYARDS

The fruit for this vintage comes from amazing growers from multiple AVAs within Napa Valley, with a majority coming from the Oak Knoll District of Napa Valley, Napa Valley, Calistoga, Oakville, Mt. Veeder, and Stags Leap District. Grapes sourced from mountainous AVAs, like Mt. Veeder have a high concentration and immense depth, while those from lower regions, such as Oak Knoll and Napa Valley, bring balance and a softer texture.

WINEMAKING

Our grapes are handpicked during the early morning hours at optimal ripeness. Upon arrival at the winery, they are hand sorted and destemmed into small fermentation tanks for cold soaking. After a few days, the must is gently warmed, and yeast was added to initiate fermentation. During the 14-to-21-day fermentation, wines are “pumped-over” multiple times per day, allowing for maximum extraction of fruit flavor, color, and tannin from the skins. The wine was then allowed to free run to gravity flow from the skins directly to barrel and the skins were gently pressed. After barrel aging for a minimum of 18 months in French oak barrels, the wine was blended and prepared for bottling

VINTAGE: 2023

VARIETAL COMPOSITION: *Cabernet Sauvignon*

APPELLATION: *Napa Valley*

BARREL AGING: *Portions aged for 18 months in French oak barrels*

RS: 0.24 g/100ml • PH: 3.81g • TOTAL ACID: 0.57g/100ml • ALCOHOL BY VOL: 15.0%
