Dietary Supplement

[†]This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

1 in 10 US adult premenopausal women (ages 15-49y) are deficient in iron.

SUGGESTED USE: Adults, for iron deficiency, take 1 tablet daily with water and a meal. Do not exceed 1 tablet daily or take with other supplements containing iron, unless recommended by your physician. This product is intended for short-term use by those needing iron supplementation as determined by a physician.

Store tightly closed, in a cool, dry place, out of reach of children.

Do not use if seal under cap is broken or missing.

CAUTION: If you are pregnant, nursing, or taking medication, consult your physician before use. Discontinue use and consult your physician if any adverse reactions occur.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
