

Refresh 2.0

The clean and easy gel cup replacement

Refresh 2.0 utilizes dry fragrance refills so there are no messy leaks or spills.

30 days of freshness

The open-air honeycomb design increases air flow and supports consistent fragrance release.

Effective

Releases 25%-35% more fragrance than air freshening gels.

Universal fit

Refresh 2.0 fits a wide variety of dispensers and cabinets such as Big D®, Contico®, Hospeco®, GA Pacific®, F-Matic®, NilOdor®, Rubbermaid TC® & Time Mist® fan cabinets.

Environmentally safe

100% recyclable, doesn't contain any acetone or propellants, and no sticky residue.

Requires one
D battery

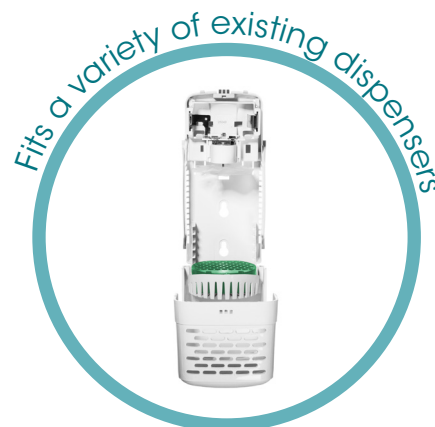

Tape or screw mount
(both included)
