

IndestrucTable®
COMMERCIAL FOLDING TABLE

IndestrucTable®

COMMERCIAL FOLDING TABLE

ABOUT

These IndestrucTable® tables are one step higher than the Classic table. They are a hard-working addition with a weight capacity of 1,000 pounds, evenly distributed, and can easily handle everyday loads.

Easy to transport, setup and take down, lightweight, multi-functional handles any temporary demand. The square edge is dent and scratch resistant yet easy to clean. Made in USA.

INDESTRUCTABLE – Incapable of being destroyed, ruined or rendered ineffective; not able to be destroyed.

FEATURES

- The 2" thick, blow-molded high-density polyethylene top features a square edge and is dent and scratch resistant and easy to clean.
- Sturdy, gray powder-coated 1" round tubing legs features non-mar protective feet.
- Sturdy powder coated steel legs.
- Legs fold into recessed channels for compact storage and nesting with similar tables.
- Use indoors or out.
