

HydrO FLECTOR™ WATER-RESISTANT PREMIUM GRAIN BUFFALO DRIVER WITH DOUBLE-PALM

Style No. 387P

- 1

Golden **aQUaHIDE™** water-resistant premium full grain buffalo provides excellent protection in wet conditions, has excellent abrasion & puncture resistance, & provides superior durability
- 2

Black **aQUaHIDE™** buffalo patches on full-palm, thumb & fingers reinforce the high-wear areas of the glove to better withstand abrasions & to extend the longevity of the glove
- 3

Easy-On™ cuff with shirred elastic wrist facilitates quick on & off use, while tightening the shell material to the hand for a secure fit & providing an additional preventative measure to block debris from further entering the glove
- 4

Pieced **aQUaHIDE™** buffalo hem incorporates an added piece of material, which creates a finished look, holds all layers of the glove together, & prevents fraying
- 5

Wrap-around index finger design creates increased durability & comfort, & ensures that the high-rub areas on the exterior of the finger are not compromised by potential thread or seam failures
- 6

Angled wing thumb design, which is seamless between the palm & thumb, offers additional flexibility & comfort
- 7

Gunn cut pattern allows for fewer seams between the fingers, reduces the exposure of seams in high-wear areas of the palm, & allows the back-of hand base material to remain seamless for longer wear & comfort
