

Organic Nipple Balm

Natural relief for sore, dry nipples

Up to 97% of moms experience dry skin and nipple pain in the first weeks after birth.¹ Because discomfort can inhibit milk ejection,² and lead to early weaning,^{3,4} providing relief is critical.

Organic Nipple Balm with Double Action™ olive oil and calendula:

- 100% natural, only 4 ingredients, safe for neonates
- Non-sticky, non-grainy, easy-to-apply and spread
- COSMOS ORGANIC Certified, Vegetarian Society Vegan Approved
- No fragrance, parabens, additives, alcohol, BHT, palm-oil, latex, GMO
- Does not need to be removed before breastfeeding or pumping
