Varietal: Sweet Rose

Alcohol: 12%

Natural Grape: 100%

pH: 3.4

Residual Sugar: 11.0 g/100 mL

After San Antonio Cardinale's success in 1967, the Riboli family decided to create San Antonio Granada, a sweet rosé with a rich grape flavor and tropical fruitiness, similar to sangria. San Antonio Granada includes notes of natural fruits such as pomegranate, strawberry, pineapple, and citrus that create a sweet, decadent wine that can be enjoyed at any time of day. Made from 100% natural grapes and fermented naturally.

Pair with fruit cocktails, eggs, waffles, and other brunch snacks. Serve slightly chilled and enjoy!

PAIRS WELL WITH EVERYBODY!
