For over a century, the Riboli family has carried their artisan winemaking tradition, creating some of today's **best-selling wines**. Looking for an opportunity to expand the flavored wine category, Paula and Ivana – **female winemakers** specializing in quality management and new product development at **Riboli Family Wines** – sought out to craft a new varietal with **distinctive flavor profiles**.

San Antonio Fruit Farm is a new semi-sweet brand with **dual fruit-forward flavors**. It was created for those looking to drink a **low alcohol, refreshing, natural fruit wine**.

To handcraft **San Antonio Fruit Farm Blackberry-Orange** wine, Brachetto - Malvasia grapes are harvested from our northern hillside vineyards in Piedmont, Italy. Blackberry - orange juice is then blended to create a delicate yet rich flavor profile. Whether at a family reunion or at an outdoor event, this wonderfully light, fruity, and sparkling beverage will complement any moment. Serve chilled with light snacks.
