Kodiak

Ask around about Bear bows, and you'll hear tales of the legendary 59 Kodiak. Throughout the years, Bear has been asked to "bring it back." Out of respect, we were convinced the 59 Kodiak could never be duplicated. But, like Mr. Bear, we believe in giving people what they want. The timeless design and craftsmanship will forever make the Kodiak one of the most desirable recurves in the industry.

Limb cores crafted with maple core laminate and overlaid with high-strength green fiberglass

Crowned, cut on center arrow shelf with leather side plate and signature feather arrow rest
