2023 PINOT NOIR, MONTEREY COUNTY

Winemaking has been a Coppola family tradition for several generations. So has making art and providing entertainment, from music and cinema to fine dining experiences and more. For Francis Ford Coppola, all these endeavors embody a celebration of life, merely designed with different tools. This wine's label, featuring Eleanor Coppola's handwriting, is based on the original label design from the Coppola family's first wines bottled in the early 1980s. Four decades later, the family's small wine endeavor is now an established wine legacy.

MONTEREY COUNTY

Monterey County, California is blessed with a mixed climate which is heavily influenced by cool breezes from the Monterey Bay. Pinot Noir is traditionally grown in the north, where temperatures rarely exceed 100 degrees, and the growing season is long.

WINEMAKER'S NOTES

The 2023 California vintage was unique, marked by a long, cool winter with decade-high flooding, followed by a cool spring which led to a later harvest. Optimal fall conditions led to perfect ripening for beautiful fruit expression and flavors.

TASTING NOTES

Rich aromas of red cherry, nutmeg, graham cracker, and raspberry soda are the first things one notices about the 2023 Wines of Francis Coppola Pinot Noir. These aromas all transfer to the palate and are balanced by additional flavors of toffee. Medium-bodied with lightly structured tannins, balanced acidity and fruit flavors all culminate in a long, clean, cherry finish.
