Issue Number: 944

Product Change Notice: 3M™ Board-to-Board Connectors, 2mm and .100", 950 and 966 Series

To Our Valued Customers:

As a follow-up to the Discontinuation Notice, Issue Number 943 (January 2017), 3M is changing the options available in certain board mount sockets in 2mm and .100" (2.54mm) grid. The tech sheets have been revised to take account of these changes:

3M™ Board-to-Board Connectors Series	Tech Sheet
966 Series, .100" Board Mount Socket, Thru Hole, Low Profile, SMT	TS-2192
950 Series, 2mm Board Mount Socket, Single and Dual Row, Right Angle, Solder Tail	TS-2164

If you have any questions, please contact your 3M representative for these products.

Thank you for your understanding and continued partnership with 3M.

Sincerely,

Lindsay Powell
Marketing Manager
