3M Personal Care

Tape Closures

3M™ 3-Tape Laminate

3M™ 3-Tape Laminate provides an economical refastenable closure solution for adult incontinence briefs. The pre-combined laminate contains a target tape that adheres to the brief's backsheet and gives care takers or users the flexibility to adhere the fastening tape repeatedly to the target tape or refasten to a new area enabling adjustment of fit, examination of patient, or reapplication of the brief.

- Can be positioned anywhere on the brief allowing adjustment to individual body shape
- Repeated safe opening and closing of the brief
- Improved comfort and fit for the user
- Economic alternative to 3M™ Reclosable Fasteners (hook and loop)
- Simplified pre-combined construction for efficient manufacturing process
- Available with Film and Nonwoven Fastening Tapes
