3M Science. Applied to Life.™

3M Automotive Aftermarket

3M™ Blue Abrasives. The upgrade you've been waiting for.

6" 3M™ Stikit™ Blue Abrasive Disc

5" 3M™ Hookit™ Blue Abrasive Disc

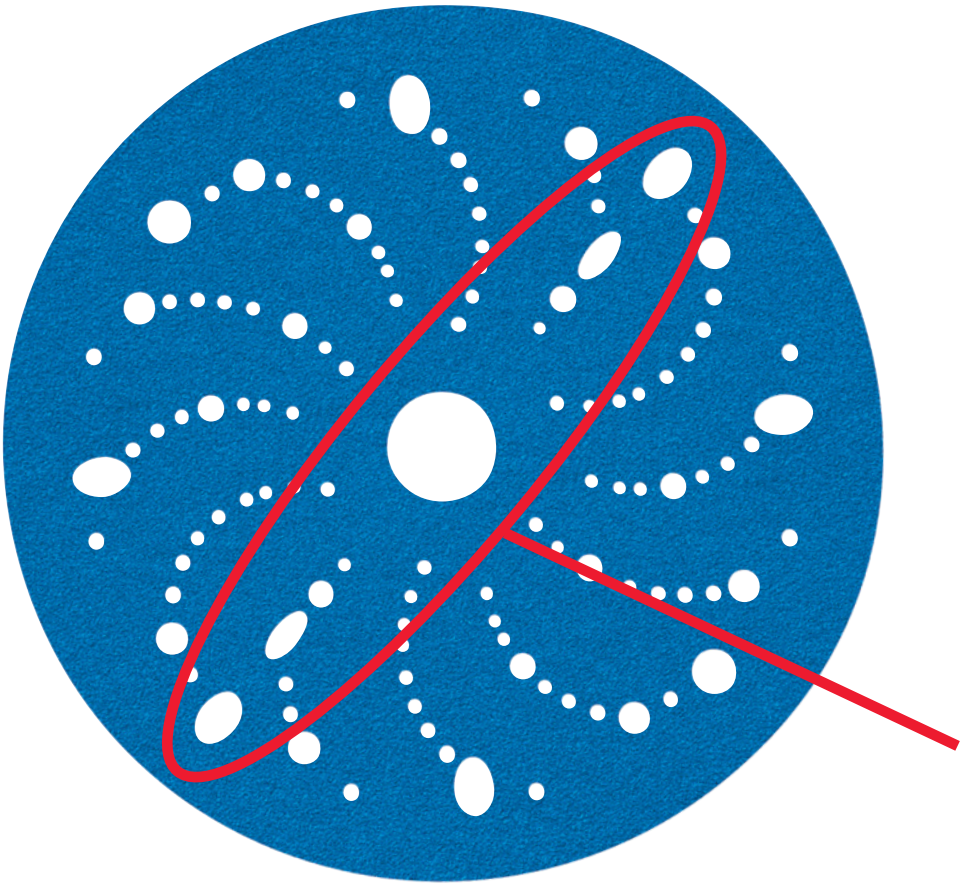

3M™ Blue Abrasives are your go-to workhorse for the entire shop.

3M's engineered ceramic mineral blend delivers best-in-class cut and life. An anti-loading design and the available universal multi-hole pattern extend the life of the abrasive for consistent performance. A full line of discs and sheets is available in an array of sizes and grades for use throughout the repair process. Available in 3M™ Hookit™ Abrasive Disc and 3M™ Stikit™ Abrasive Disc attachment systems — from body repair to paint prep, BLUE is all you need.

Blue goes head to head with any abrasive in its class.

Designed for performance:

- **Engineered ceramic mineral blend** provides best-in-class performance using exactly the right balance of ceramic grain and premium aluminum oxide
- **Anti-loading coating** improves disc life
- **Upgraded resins** improve durability and finish

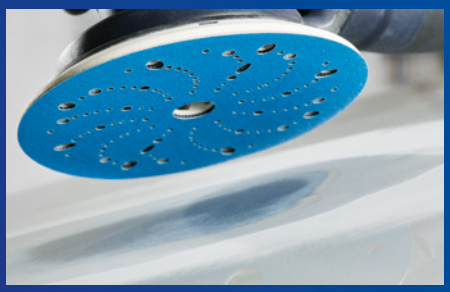

6" 3M™ Hookit™ Blue Abrasive Disc

Best-in-class value leaves the competition in the dust — *literally*.
3M™ Blue Abrasive Multi-hole Discs are specially designed to improve anti-loading and boost dust extraction for improved productivity and a cleaner work environment. The multi-hole pattern captures dust, keeping the abrasive open for a faster cut and consistent performance throughout the life of the disc.

3M™ Hookit™ Abrasive Disc universal multi-hole pattern with alignment guide:

- Reduces loading for improved performance
- Improves dust extraction efficiency compared to 6 and 7 hole patterns
- Aligns with majority of dust extraction back-up pads

Go Blue for Body Repair.

Cuts fast with consistent results.

3M™ Blue Abrasives are engineered with a ceramic mineral blend that cuts through paint and body filler with consistent results every time. Available in 3M™ Stikit™ Abrasive Disc and 3M™ Hookit™ Abrasive Disc configurations, there is a 3M™ Blue Abrasive available for every sanding application.

Help improve technician safety with 3M Safety Products.
