

ANTI-SLIP TAPE

HIGH TRACTION & ADDITIONAL SAFETY

Cantech 36800 Anti-Slip Tape is a heavy duty, extremely durable, premium-grade product engineered to provide a durable, non-slip surface. It is designed to be applied indoor and outdoor on frequently-used surfaces such as floors, steps, pedals, and more. This Anti-Slip Tape features a PVC Film Coated with Mineral Particles that offers long-lasting slip resistance.

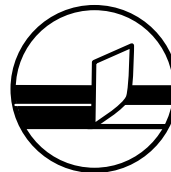

FEATURES & BENEFITS

Extra durable and reliable over time

Improves safety and minimizes accidents in worksites

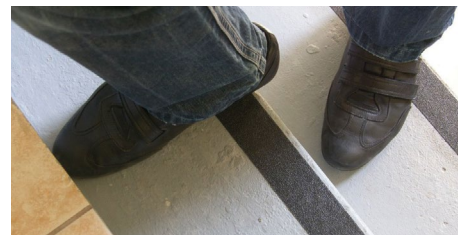

Release liner can be easily removed

Delivers high traction on frequently-used surfaces such as floors, steps, pedal and more

Resistant to solvents such as oil, diesel fuel, mud and chemicals found in extreme OEM environments
