

# brilliant mistake wines

john and stacy come from significantly different backgrounds, but it was the spark of similar interests that led to one shared dream.

brilliant mistake wines is the result of that dream.

john's artistic background fueled rebelliousness, off the wall, free-thinking, and no-holds-bar risk-taking. stacy's strength and judgement inspired him and provided the foundation to support each and every risk.

with the benefit of two individuals taking risks together, they have produced and bottled what may just be the perfect representation of who they are, and what can be expected of them in their positively unpredictable future.

## 2022 cabernet sauvignon napa valley

this rich, full-bodied cabernet sauvignon shows a deep purple color in the glass. aromas of crème de cassis, lead pencil, spice box, and delicate floral notes unfold on the nose. the palate is structured and powerful, with grainy tannins supporting concentrated blue and black fruit flavors. the finish is long, lively, and beautifully balanced.

the 2022 brilliant mistake cabernet sauvignon is crafted from 100% cabernet sauvignon sourced from premier vineyards in rutherford and oakville. the wine was aged for 21 months in french oak, 65% of which was new, allowing the fruit and structure to develop depth and complexity. produced in extremely limited quantities, only 300 cases were made.
