

Pro Sheets®

Pro Sheets offer superior surface protection through dense sheets that are 8X thicker than Builder's Paper*. Pro Sheets lay out fast, flat, seam together quickly, and are easier to cut and customize to your jobsite than standard hardboard or plywood.

Available sizes:
48" x 96" (1.2m x 2.4m)
7.25 lbs/sheet

FEATURES:

- Heavy-Duty temporary floor protection
- Exclusive Vapor-Cure® technology allows floors to continue curing while covered
- Spill Guard® technology protects against liquids
- Lays out fast
- Non-staining
- Proudly made in the U.S.A.
- Recyclable
- Reusable
- FSC Certified

TYPICAL PROPERTIES:

Property	Value	Test Method
Thickness/Caliper	60 mil	
Water Absorbency Top	32 g/m ²	2-min Cobb/ TAPPI T441
Water Absorbency Bottom	44 g/m ²	2-min Cobb/ TAPPI T441

FURTHER TECHNICAL INFORMATION:

- Store in a dry, cool and well-ventilated place away from open flame and other sources of ignition
- Handle in accordance with good industrial hygiene and safety practice
- Use print side up
- Avoid generating dust, and do not breathe dust
- Keep away from heat, sparks, open flames, and hot surfaces, and take precautionary measures against static discharges
- Materials should be stored in the environment in which it is expected to perform
- Deliver the materials to an environmentally controlled site
- Do not deliver product to any jobsite or install product until the building is fully enclosed and protected from exterior weather conditions
- For best performance, keep materials wrapped in original packaging until anticipated use
- Failure to follow these provided instructions may result in warping or curling of the product

*Based on the average/nominal thickness of Builder's Paper
