

RALLYCORE

RallyCore Drive

Category: Paddles

Material: Carbon Fiber

HTS Code: 9506.99.608

Product Overview

Built for players who crave speed and control, the RallyCore Drive delivers precision-engineered performance in every swing. Featuring a responsive polymer honeycomb core and a textured carbon surface, this paddle enhances spin and placement without sacrificing power. Whether you're executing sharp dinks or driving the ball down the line, the RallyCore Drive is the paddle that keeps pace with your game. Designed for all-court versatility and all-day playability.
