2023 BLACK GRANITE RED BLEND

PASO ROBLES, CALIFORNIA

REGION/VINTAGE NOTES

The 2023 Highlands Black Granite Red Blend is crafted from our estate vineyards in Paso Robles, where calcareous soils formed from ancient marine deposits impart a distinctive minerality. The 2023 Black Granite Red Blend is led by Cabernet Sauvignon and complemented by Primitivo, Petite Sirah, Malbec and Pinot Noir, creating a layered and expressive wine. This vintage reflects both the uniqueness of the terroir and the favorable conditions of the 2023 season. Generous winter rains and a mild spring lengthened the growing season, while steady summer conditions and a delayed harvest delivered fruit with remarkable balance, lively acidity and vivid varietal expression.

WINEMAKER/TASTING NOTES

The 2023 Highlands Black Granite Red Blend is crafted for those who appreciate bold character and layered flavors. Its deep, vibrant color hints at the richness, while the palate unfolds with dark, ripe berry notes accented by warm baking spices. Supple tannins provide structure and elegance, carrying the wine through to a smooth, lingering finish that captures both power and finesse.

SUSTAINABILITY

Sustainability is our top priority. Our Paso Robles and Monterey vineyards are certified sustainable by CSWA. At our certified sustainable Paso Robles winery, solar panels provide 100% of the needed electricity, and wastewater is effectively reclaimed and recycled for additional uses.
