

myfresh 2.0

The air freshener for small spaces

Designed specifically to freshen small spaces

- Covers 60 sq. ft. or less
- Perfect for restroom stalls, one-toilet restrooms, elevators, and other small spaces
- Dry fragrance refills leave no sticky residue
- Provides 30 days of targeted fragrance

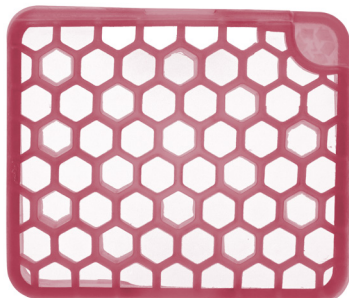

Recommended Restroom Placement

Near the toilet paper dispenser or menstrual product disposal bin. Best results when placed within 3 feet of the users upper body.
