

Boutari

Kretikos White

VINEYARD & HISTORY

Vineyard: Skalani, Crete - 16.3 acres

Founded in 1879, Boutari has pioneered Greek wine from early exports to launching the country's first wine tourism experience. Today, with wineries in Crete and Santorini, it continues to honor its legacy while shaping the future of winemaking.

VINIFICATION

The grapes are picked by hand and then cooled. After crushing is carried out, the grapes are pressed under mild pressure in the membrane press. The free juice is collected at a very low temperature to obtain high purity juice without the use of filtration aids. Alcoholic fermentation takes place with selected yeast strains at a maximum temperature of 18C.
