PRO500VX

WELCOME TO NAPOLEON®!

Congratulations on taking your grilling to the next level.
Welcome to the **NAPOLEON®** family!

Ready to assemble your new grill?

Use the main carton as a surface to assemble the unit to prevent scratches and damage during the assembly process.

Register your grill today.

We're here to accompany you through unforgettable moments.

IMPORTANT!

- Remove all parts from packaging before assembling the barbecue.
- Set up this assembly on a solid, level and horizontal surface.
- There may be visual differences between illustrations and model purchased.

BIENVENUE À NAPOLEON®!

Félicitations pour avoir franchi une nouvelle étape dans l'art du barbecue. Bienvenue dans la famille **NAPOLEON®**!

Prêt à assembler votre nouveau barbecue ?

Utilisez le carton principal comme surface pour éviter rayures et dommages lors de l'assemblage.

Enregistrez votre barbecue dès aujourd'hui.

Nous sommes là pour vous accompagner dans vos moments inoubliables.

IMPORTANT!

- Retirez toutes les pièces de leur emballage avant d'assembler le barbecue.
- Installez cet assemblage sur une surface solide, plane et horizontale.
- Il peut y avoir des différences visuelles entre les illustrations et le modèle acheté.

¡BIENVENIDOS A NAPOLEON®!

Enhorabuena por llevar tus habilidades con la parrilla al siguiente nivel. ¡Bienvenido a la familia **NAPOLEON®**!

¿Listo para montar tu nueva parrilla?

Utilice la caja principal como superficie para montar la unidad y evitar arañazos y daños durante el proceso de montaje.

Registre su parrilla hoy mismo

Estamos aquí para acompañarle en momentos inolvidables.

¡IMPORTANTE!

- Retire todas las piezas del embalaje antes de montar la barbacoa.
- Instale este conjunto sobre una superficie sólida, nivelada y horizontal.
- Puede haber diferencias visuales entre las ilustraciones y el modelo adquirido.

35

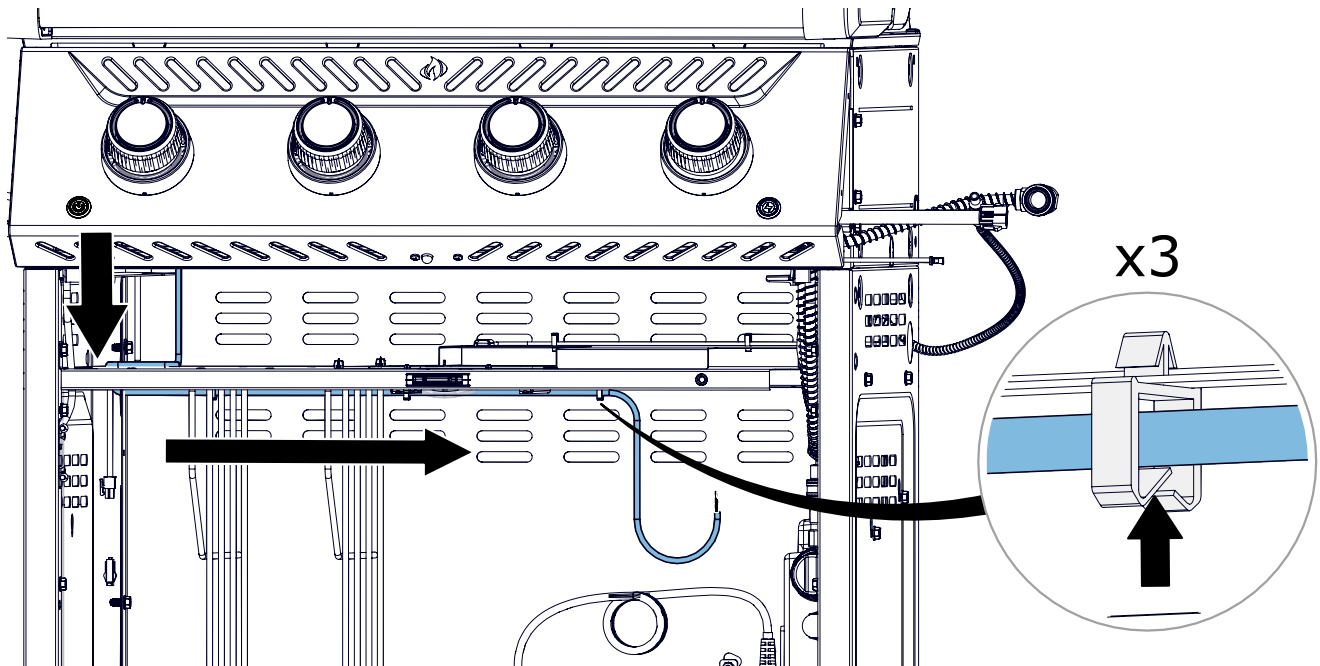

- Remove the yellow cable ties.
- Retirez les attaches-câbles jaunes.
- Retire las bridas amarillas.

36

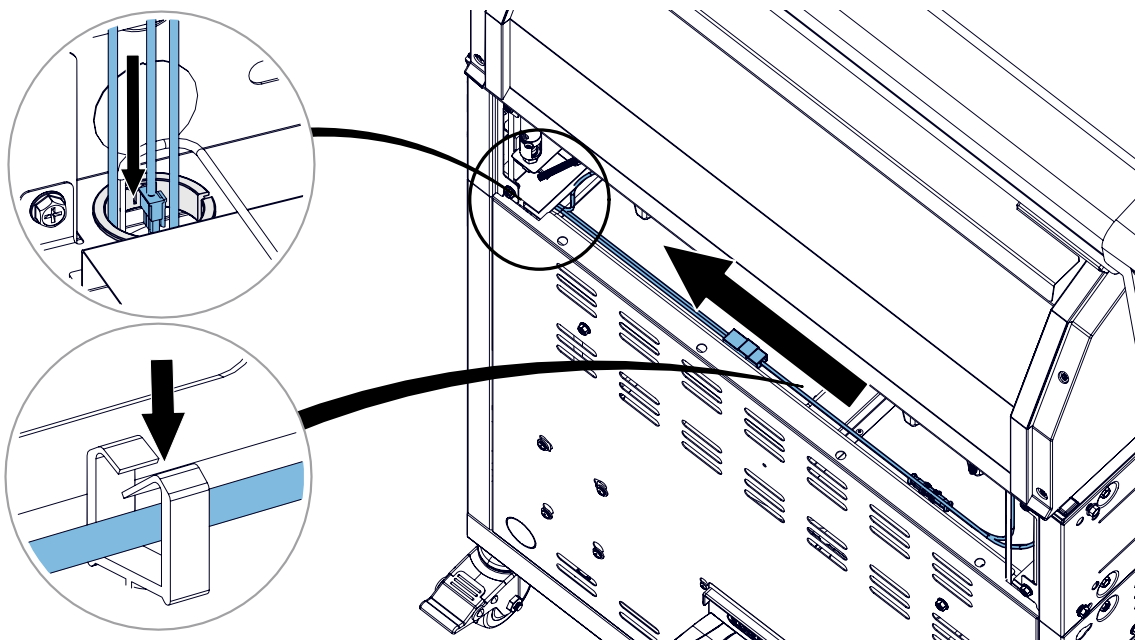

37

38

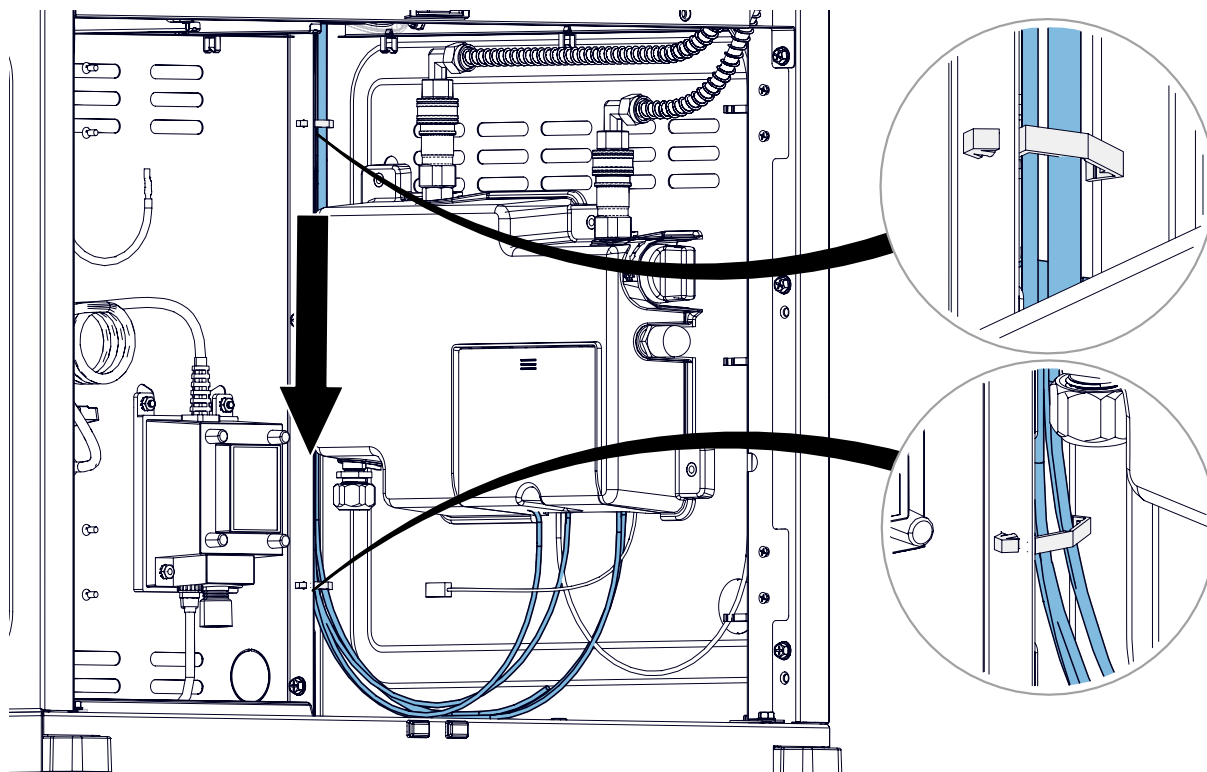

- Lay the remaining wires behind the heat shield. Feed each wire through the bushing and snap it into the clips.
- Placez les fils restants derrière l'écran thermique. Faites passer chaque fil dans le passe-fil et enclenchez-le dans les clips.
- Coloque los cables restantes detrás del escudo térmico. Pase cada cable a través del buje y encájelo en los clips.

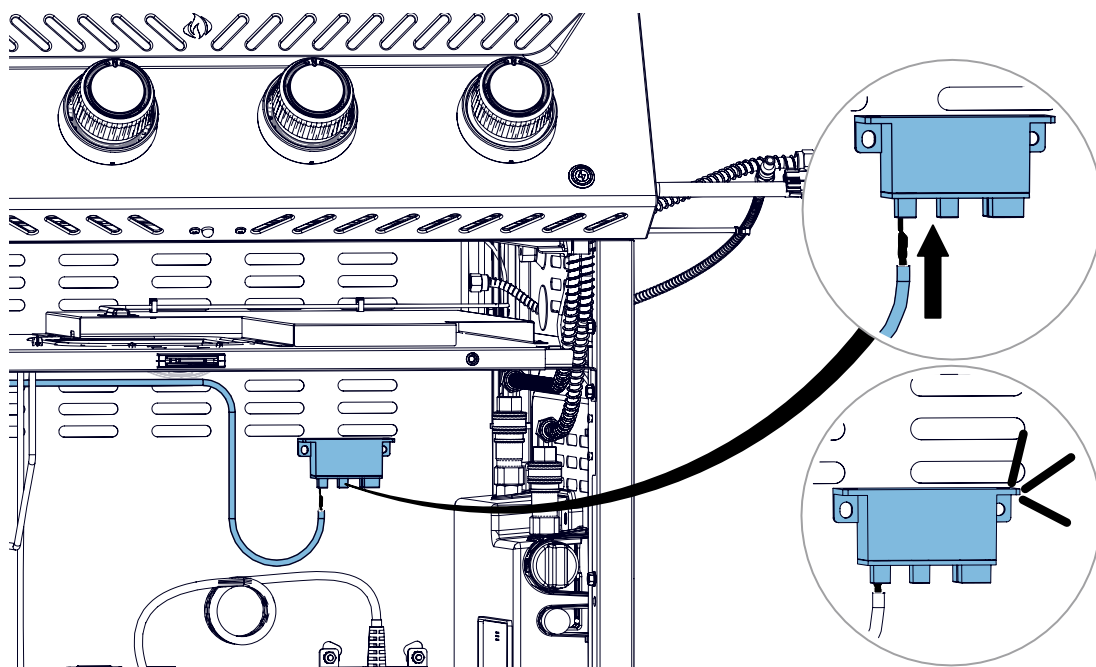

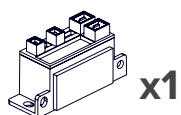

- Run the wires down the channel inside the cabinet. Secure the wires in the two clips.

- Faites passer les fils le long du canal à l'intérieur de l'armoire. Fixez les fils dans les deux clips.

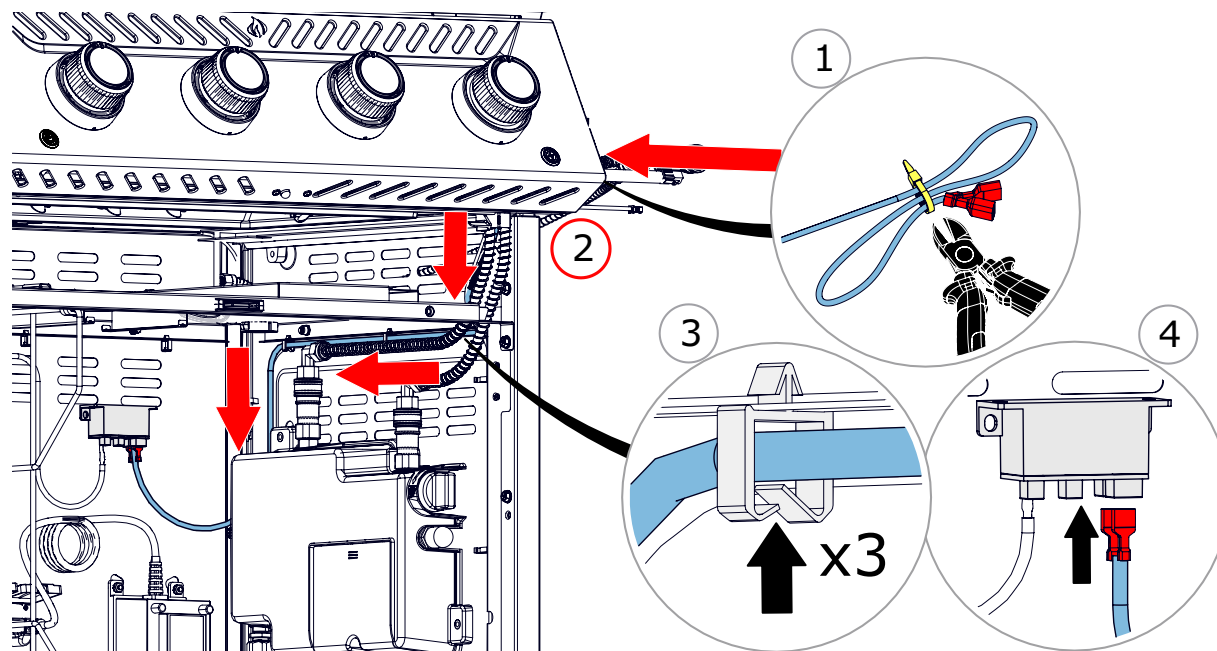

- / Pase los cables por el canal dentro del gabinete. Asegure los cables en los dos clips.

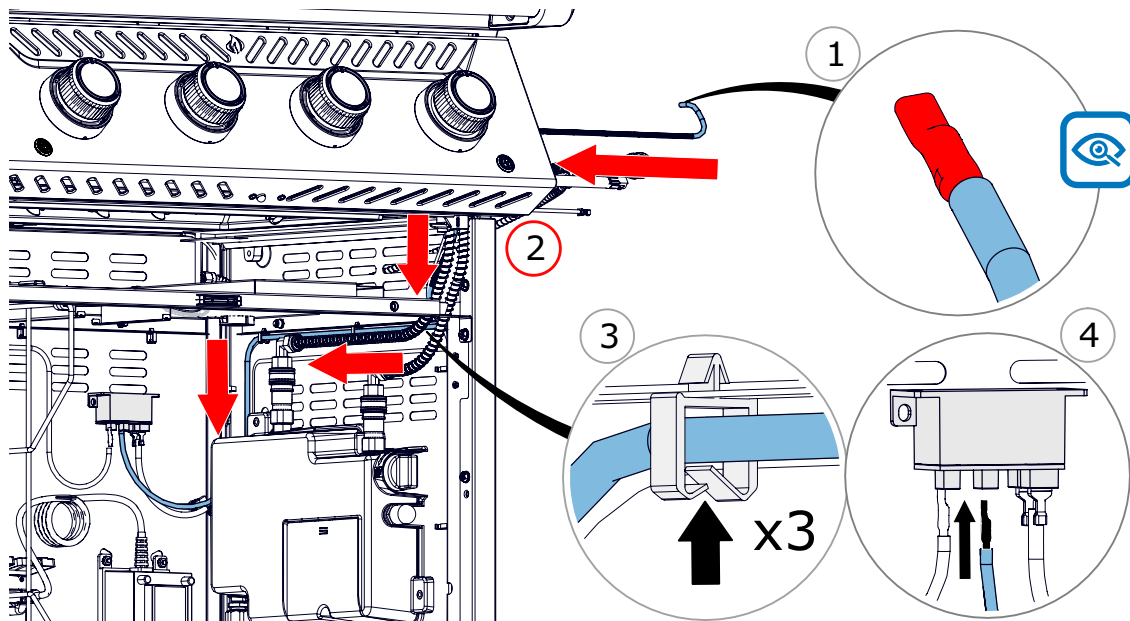

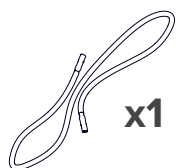

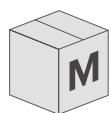

40

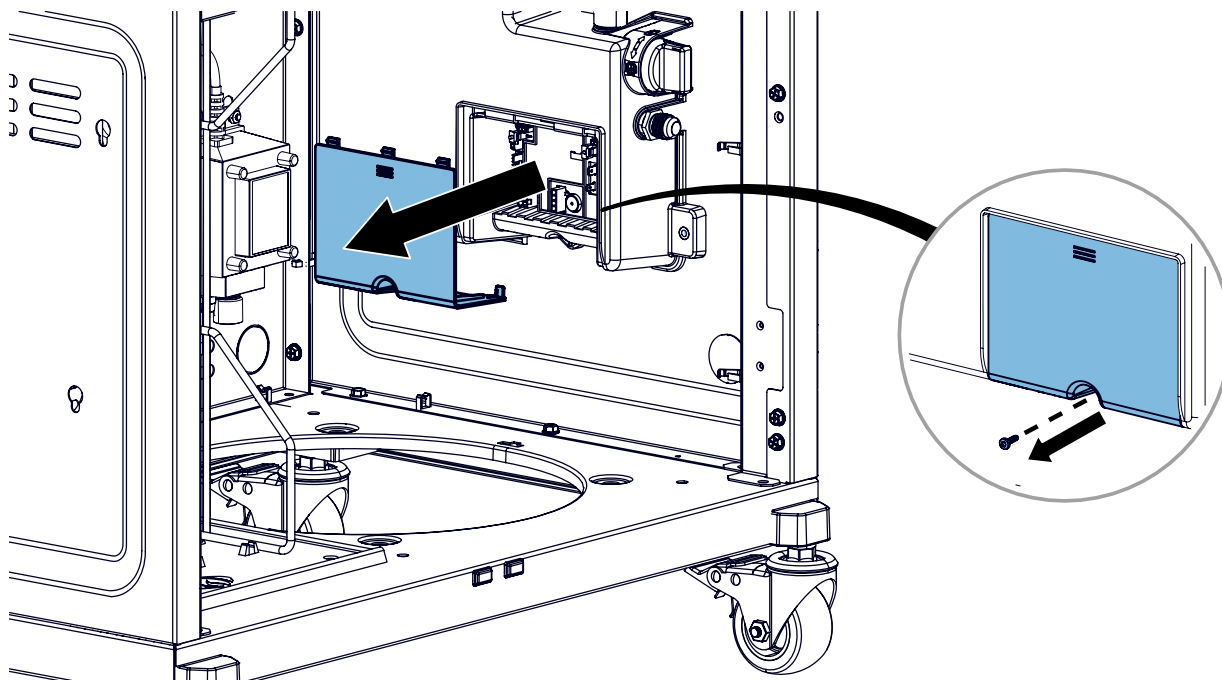

41

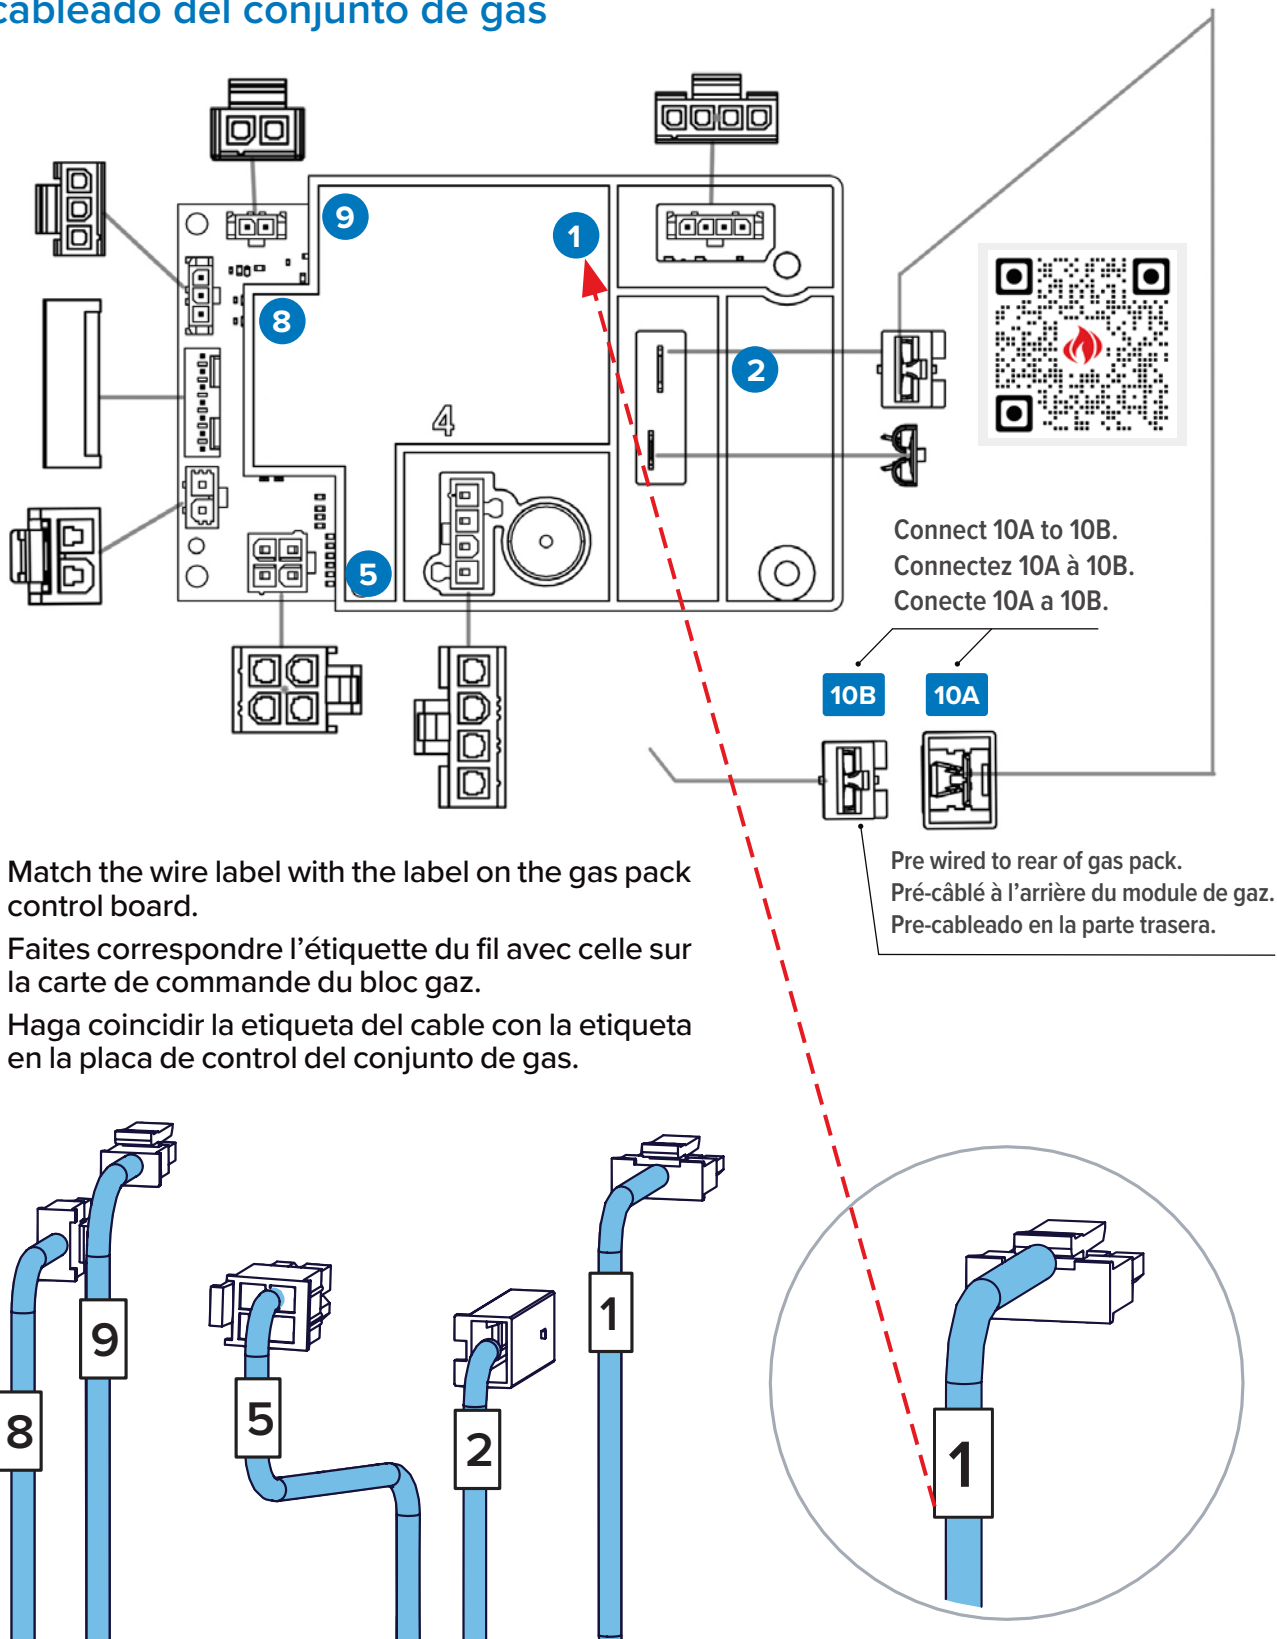

42

43

Gas Pack Wire Connection Overview | Aperçu des connexions de câblage du bloc gaz | Descripción general de las conexiones de cableado del conjunto de gas

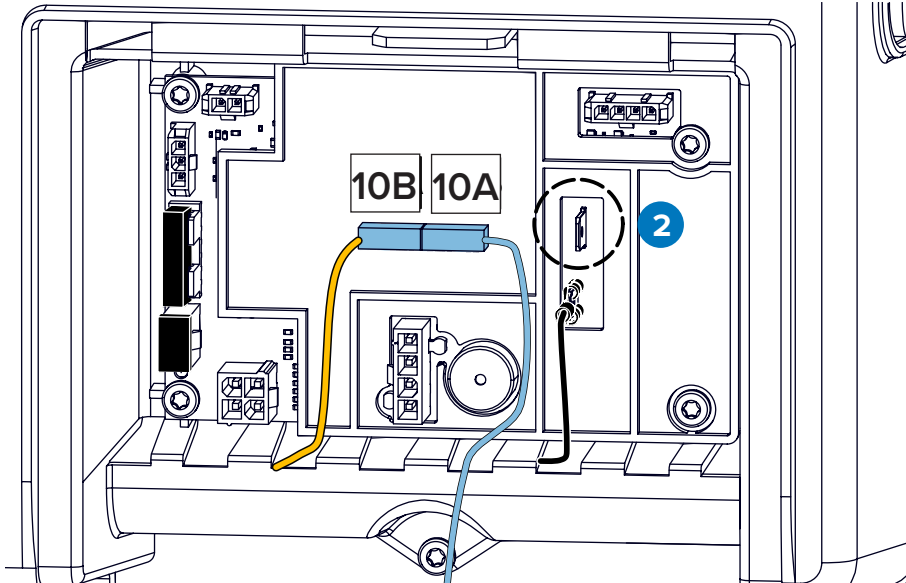

44

- If connected, disconnect wire 10B (female) from the control board location #2, then connect 10B to wire 10A (male).

- Si connecté, débranchez le fil 10B (femelle) de l'emplacement n° 2 de la carte de commande, puis connectez 10B au fil 10A (mâle).

- Si está conectado, desconecte el cable 10B (hembra) de la ubicación n.º 2 de la placa de control y luego conecte 10B al cable 10A (macho).

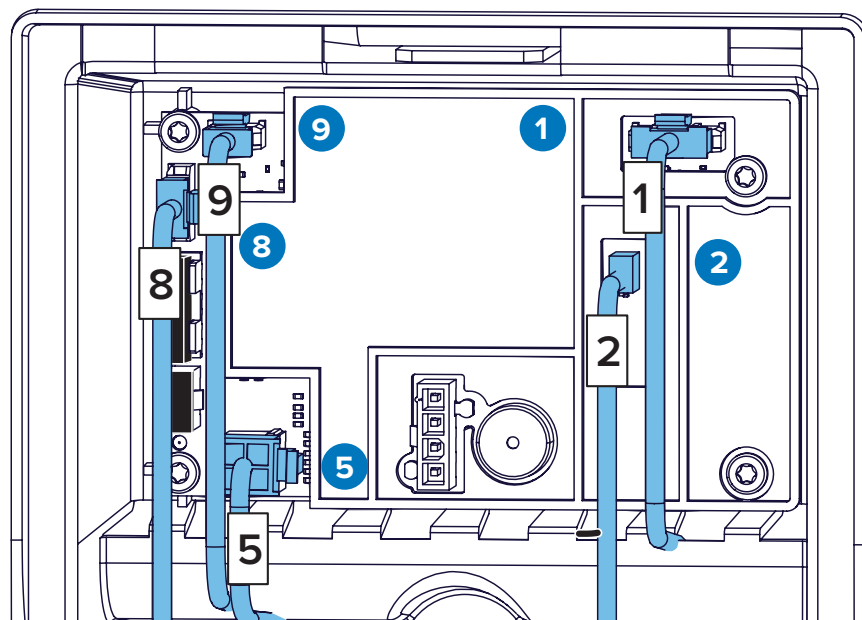

45

- Connect the five remaining wires from inside the cabinet to the control board.

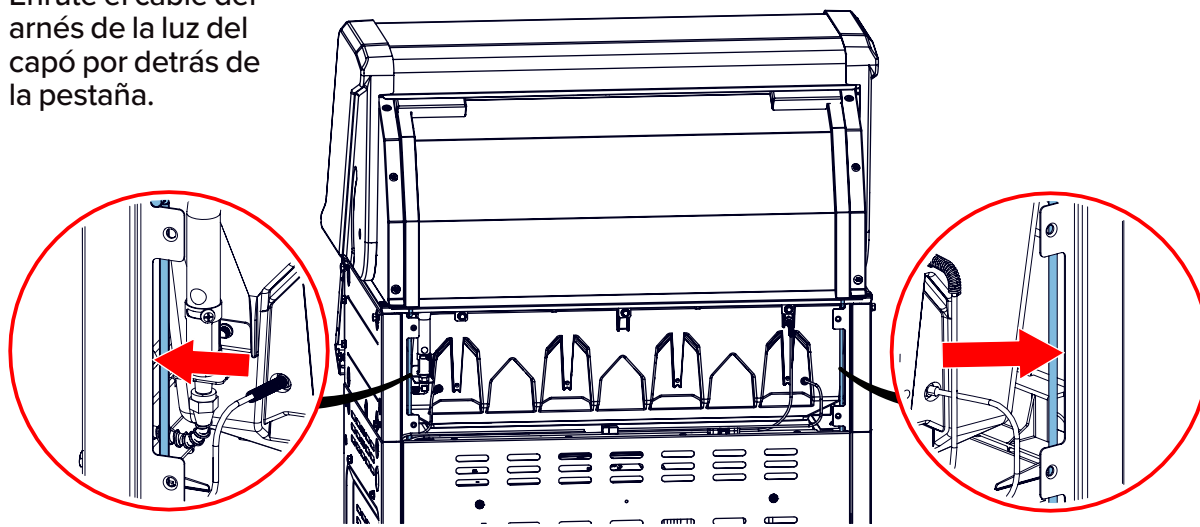

- Connectez les cinq fils restants provenant de l'intérieur du cabinet à la carte de commande.

- Conecte los cinco cables restantes desde el interior del gabinete a la placa de control.

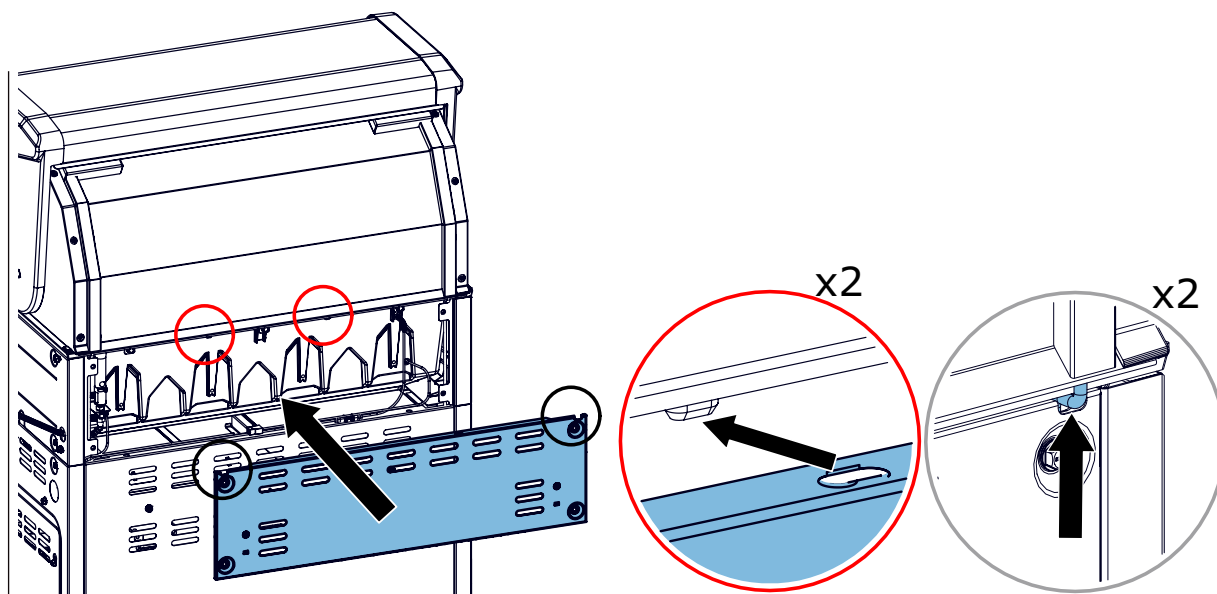

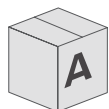

46

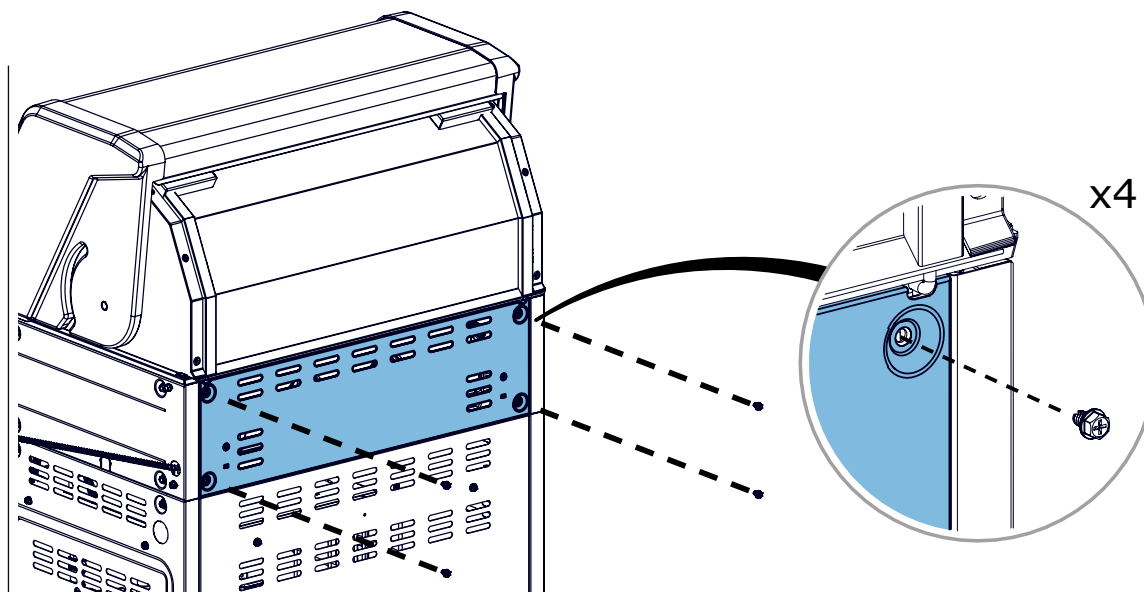

- Route hood light harness wire behind flange.
- Acheminer le fil du faisceau du phare de capot derrière le rebord.
- Enrute el cable del arnés de la luz del capó por detrás de la pestaña.

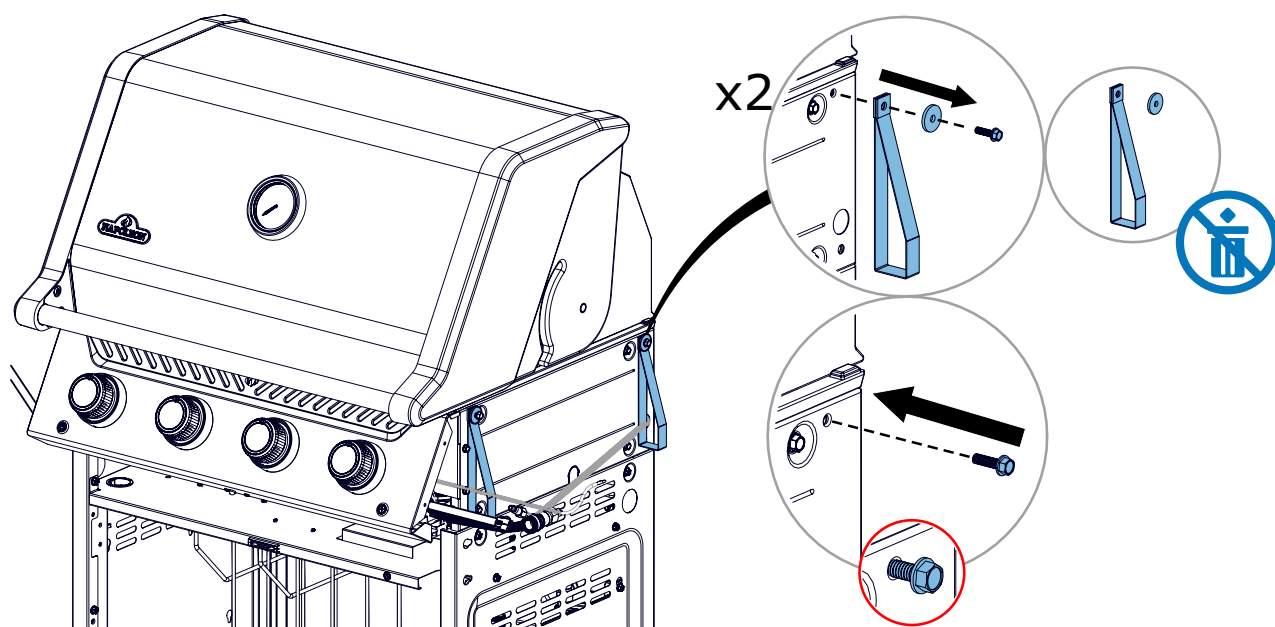

47

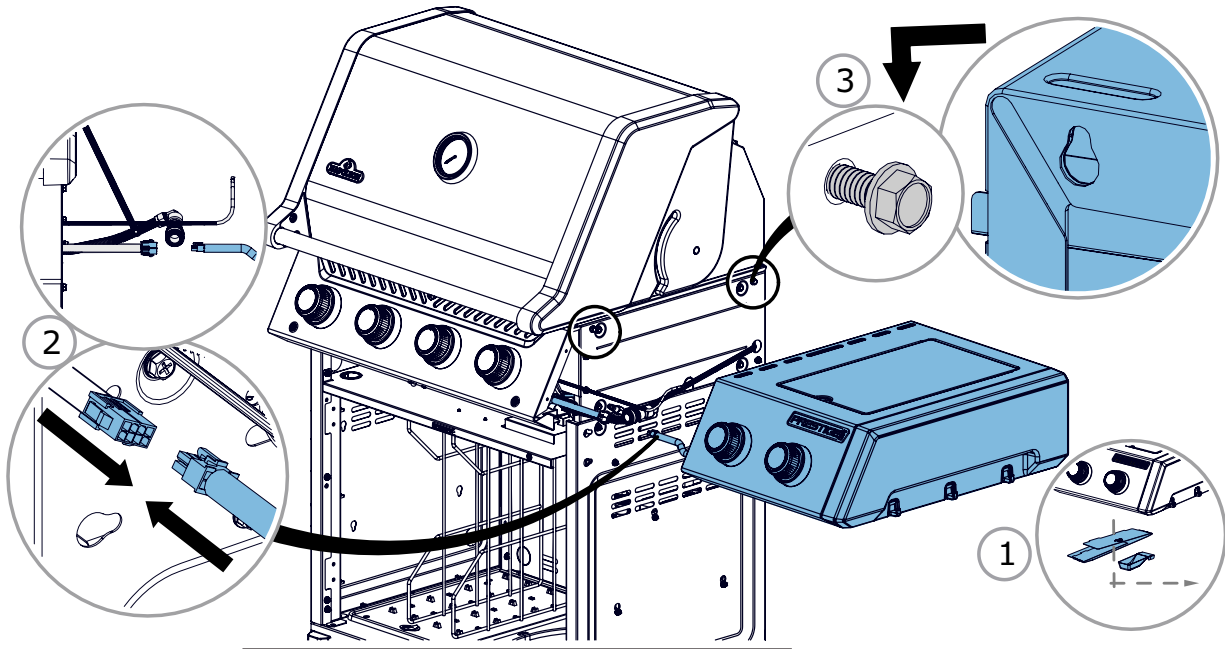

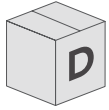

48

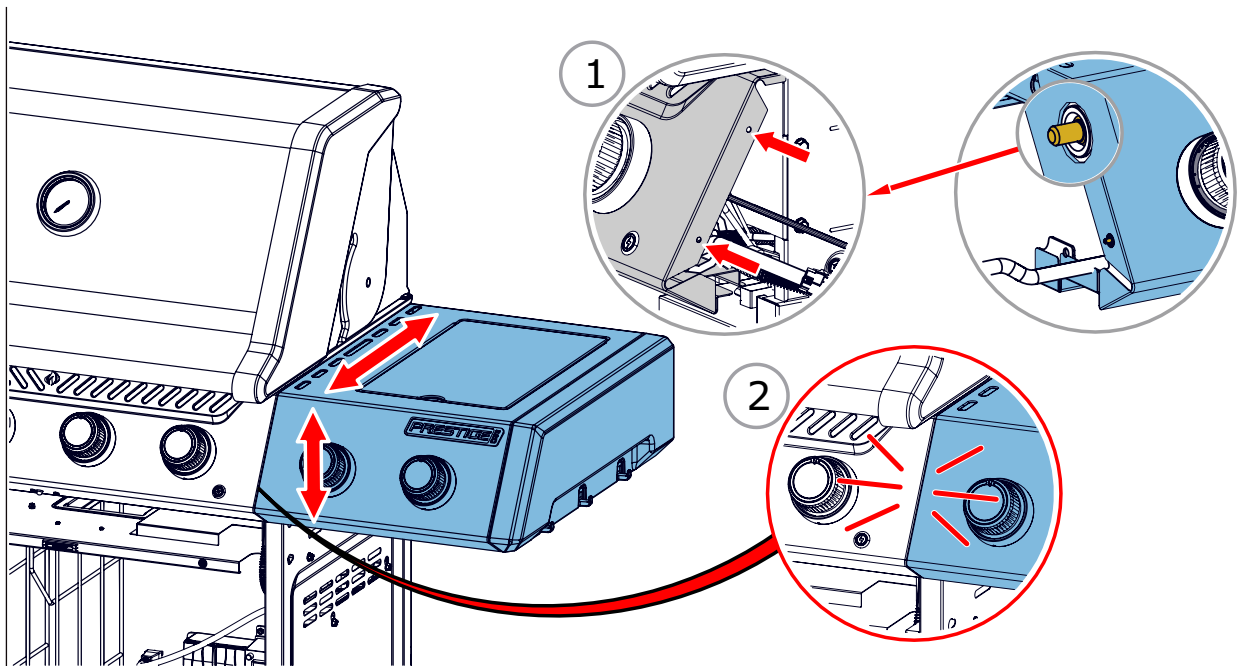

49

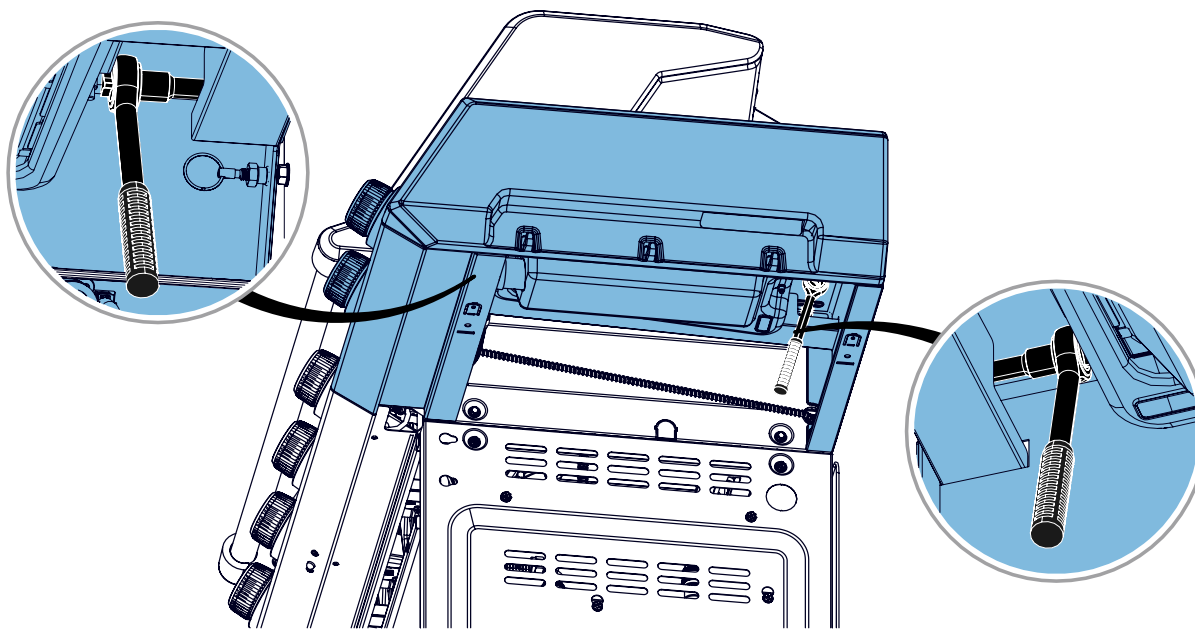

50

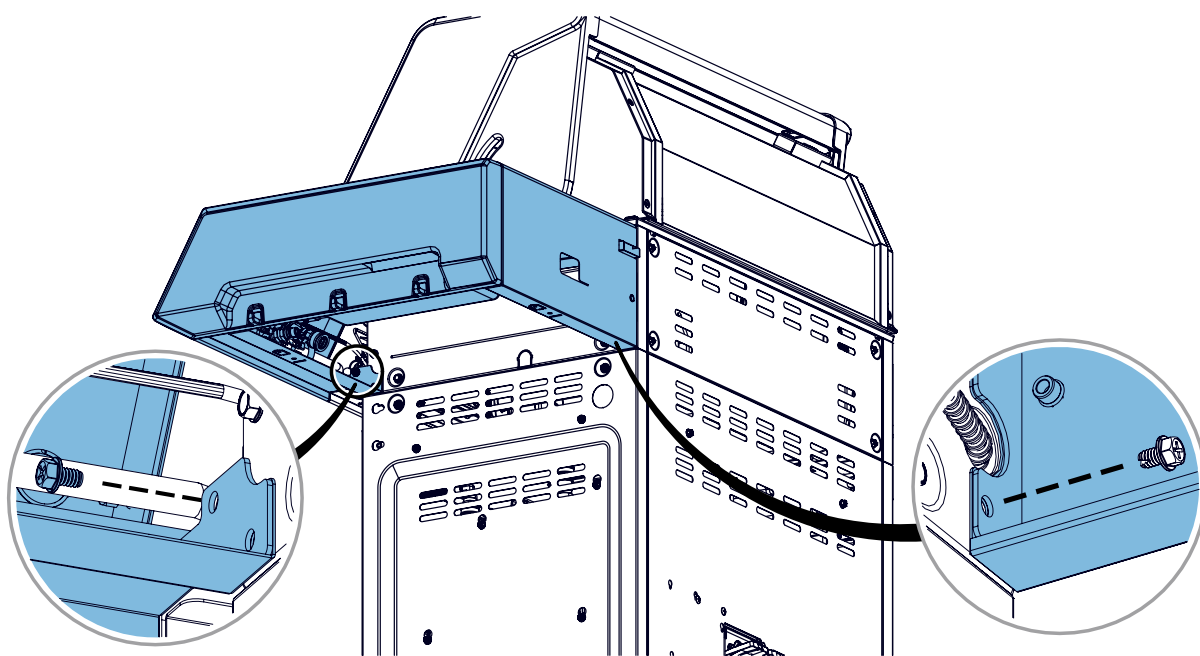

51

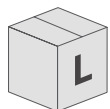

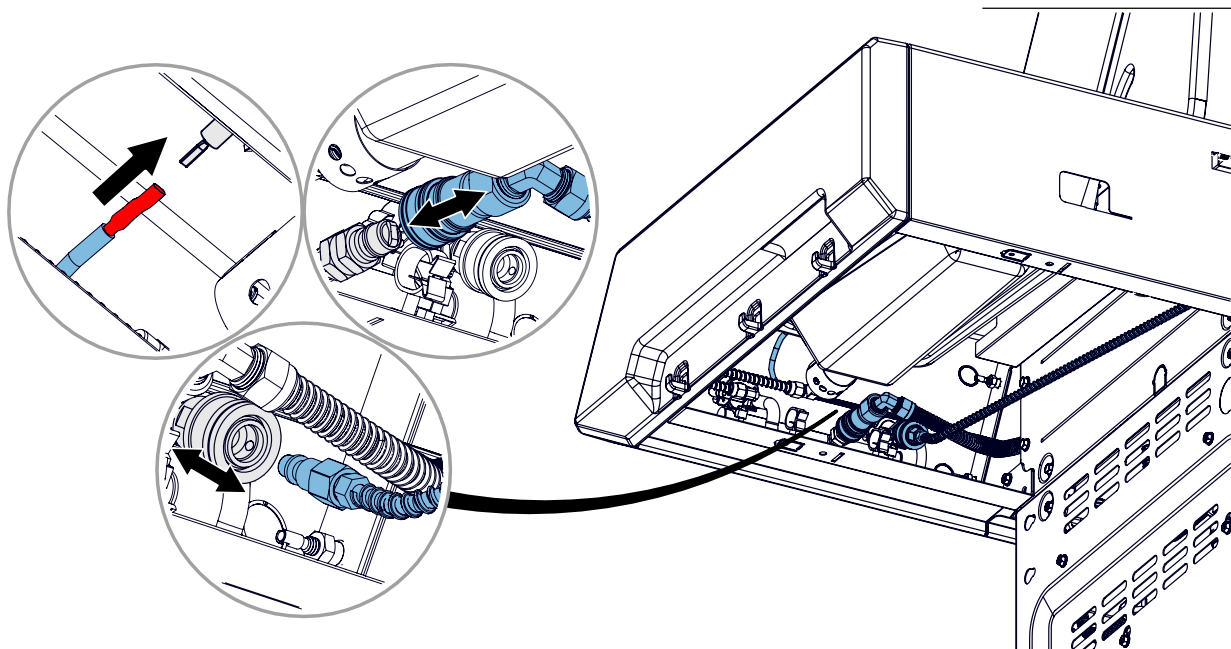

52

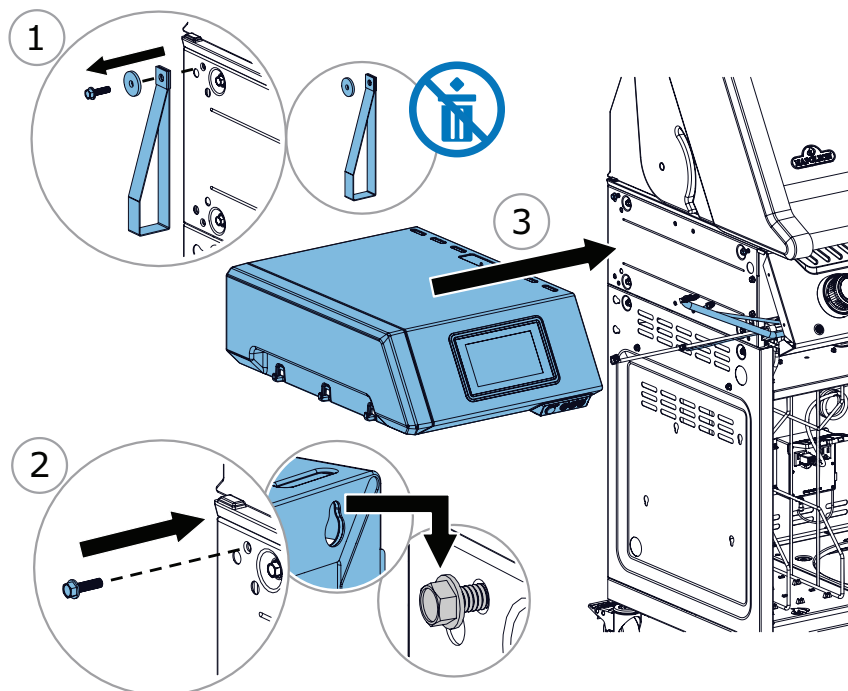

53

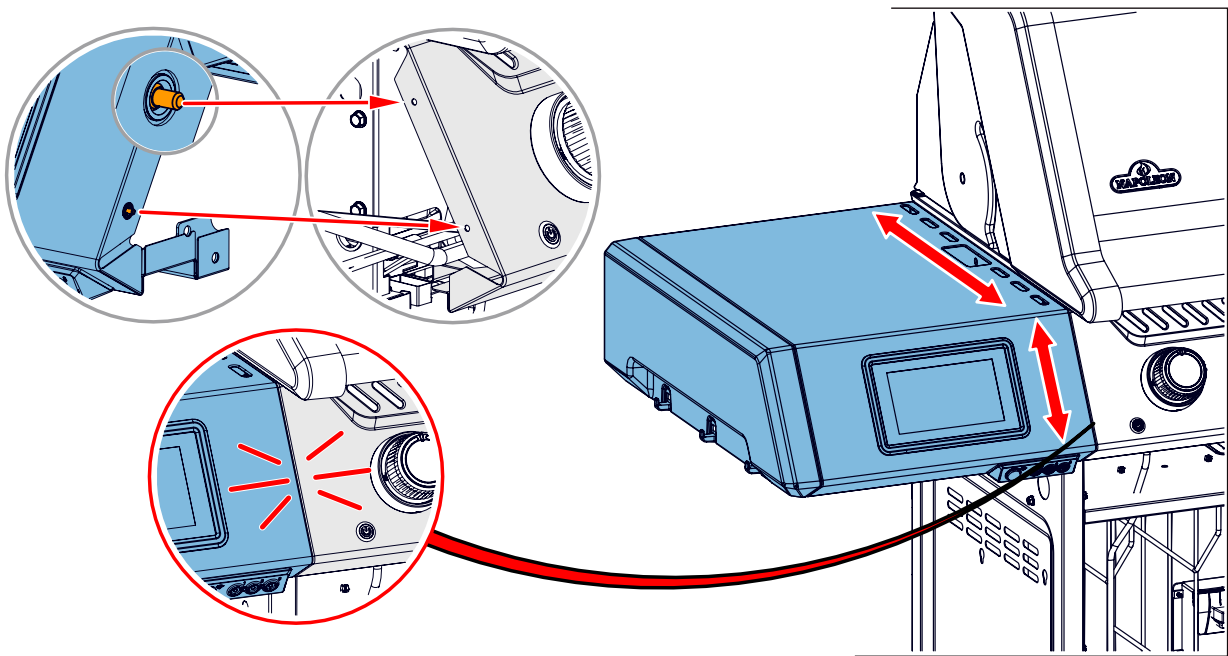

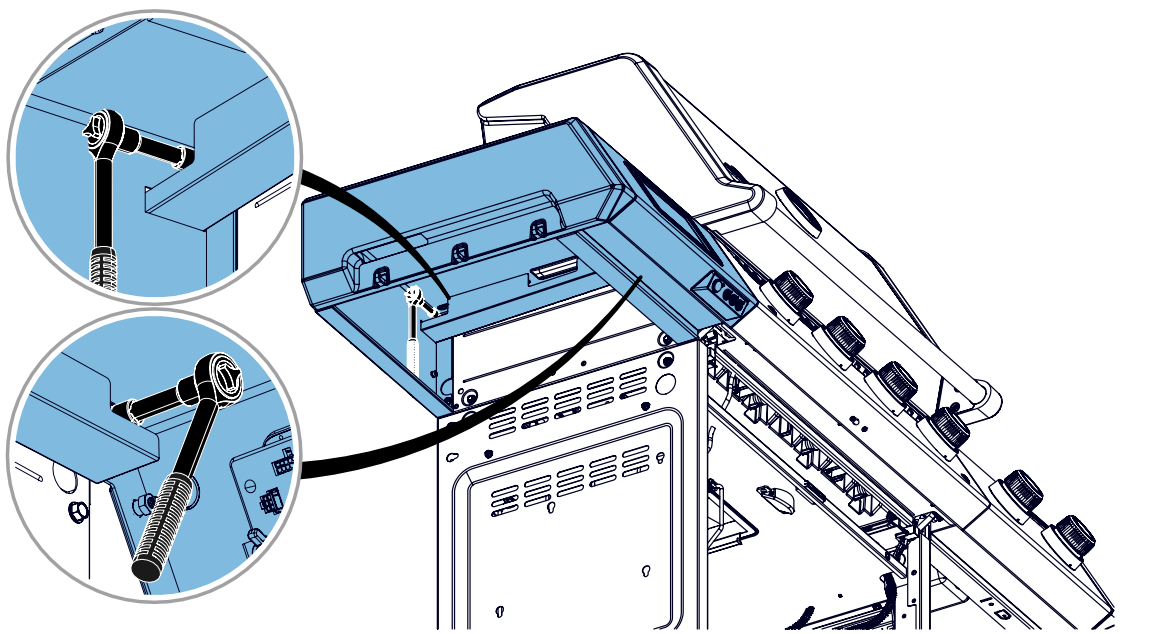

- Pull the four wires out from the side of the control panel.
- Tirez les quatre fils sur le côté du panneau de commande.
- Saque los cuatro cables del costado del panel de control.

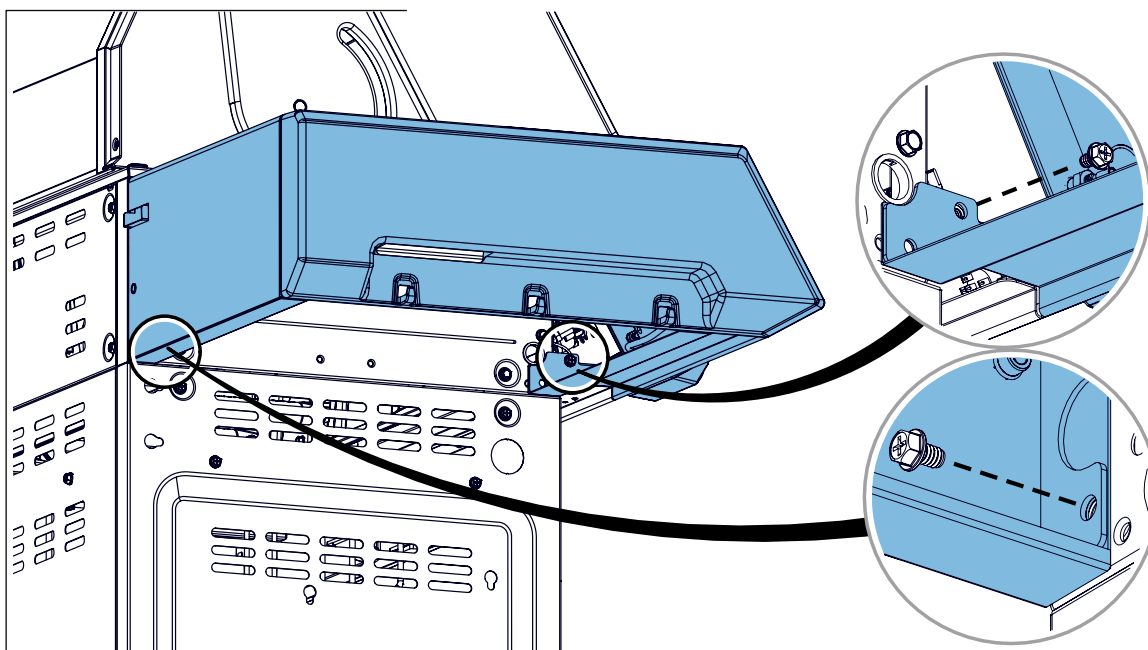

56

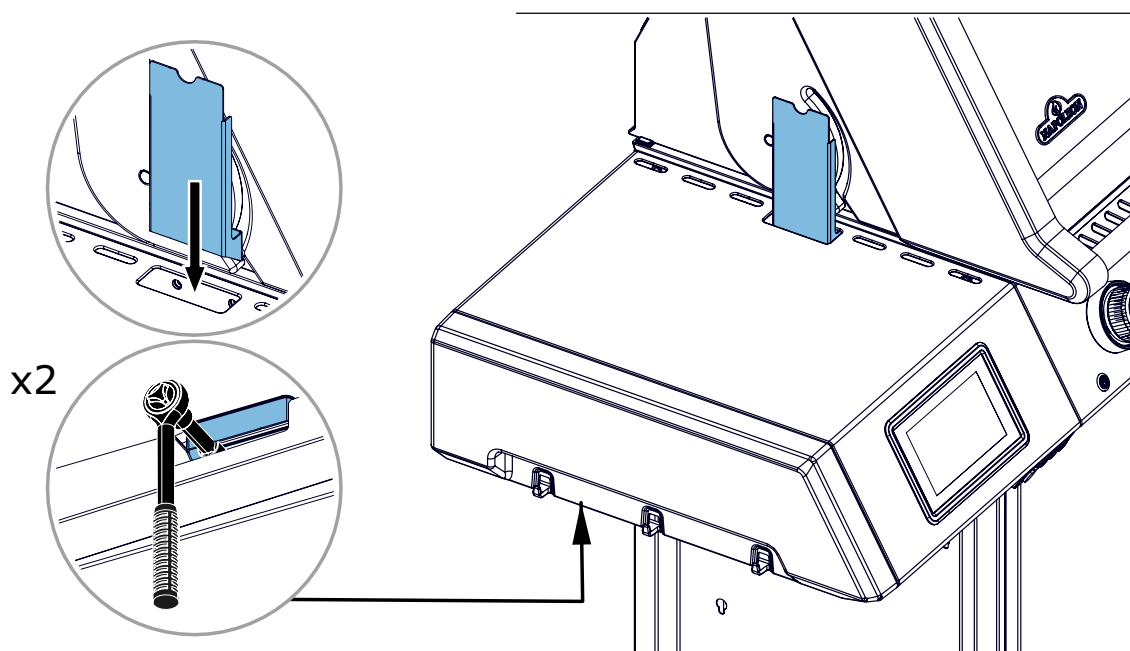

57

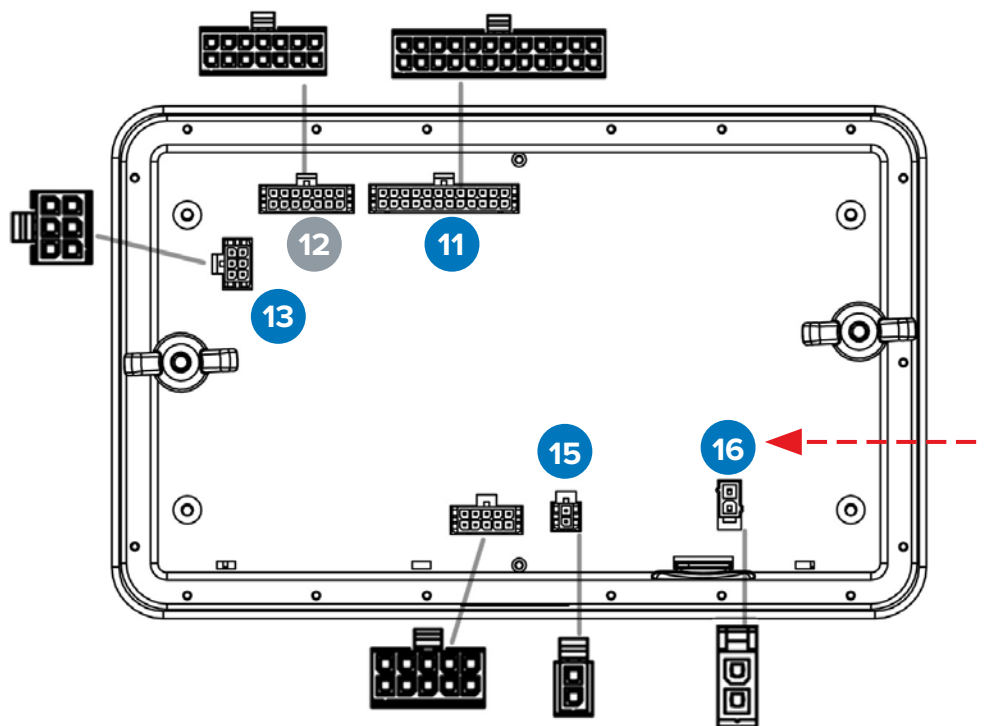

58

59

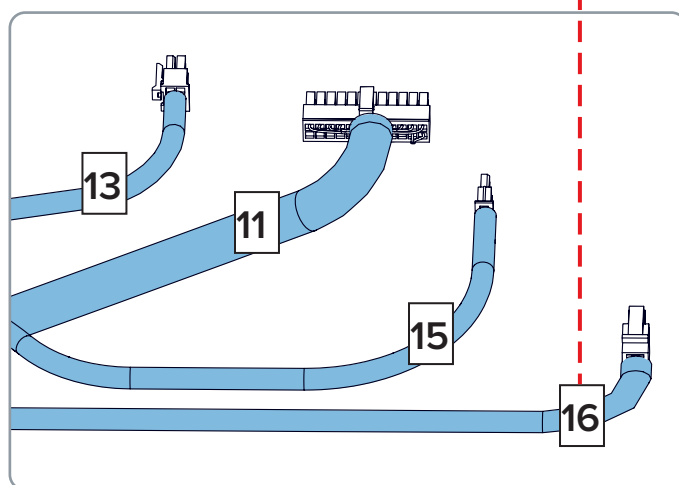

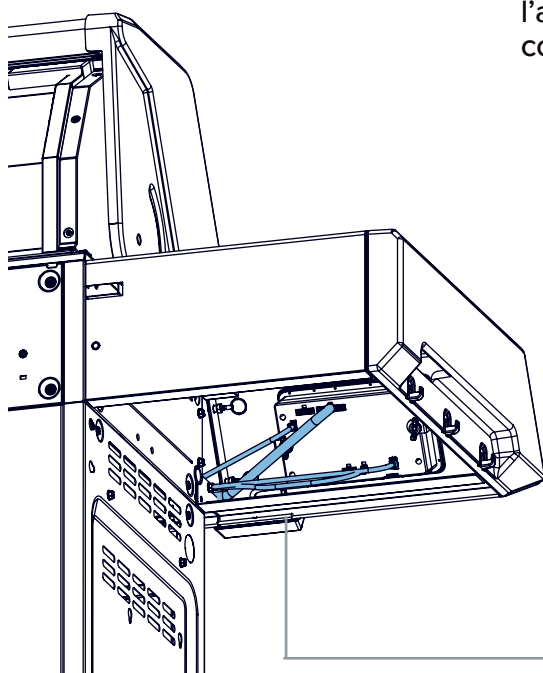

Display Wire Connection Overview | Aperçu des connexions de câblage de l'afficheur | Descripción general de las conexiones de cableado de la pantalla

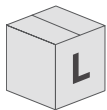

- Match the wire label with the label on the back of the display and connect.

- Faites correspondre l'étiquette du fil avec l'étiquette à l'arrière de l'afficheur et connectez-les.

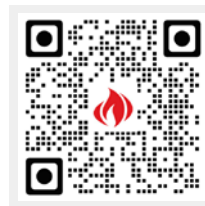

- Haga coincidir la etiqueta del cable con la etiqueta en la parte posterior de la pantalla y conéctelos.

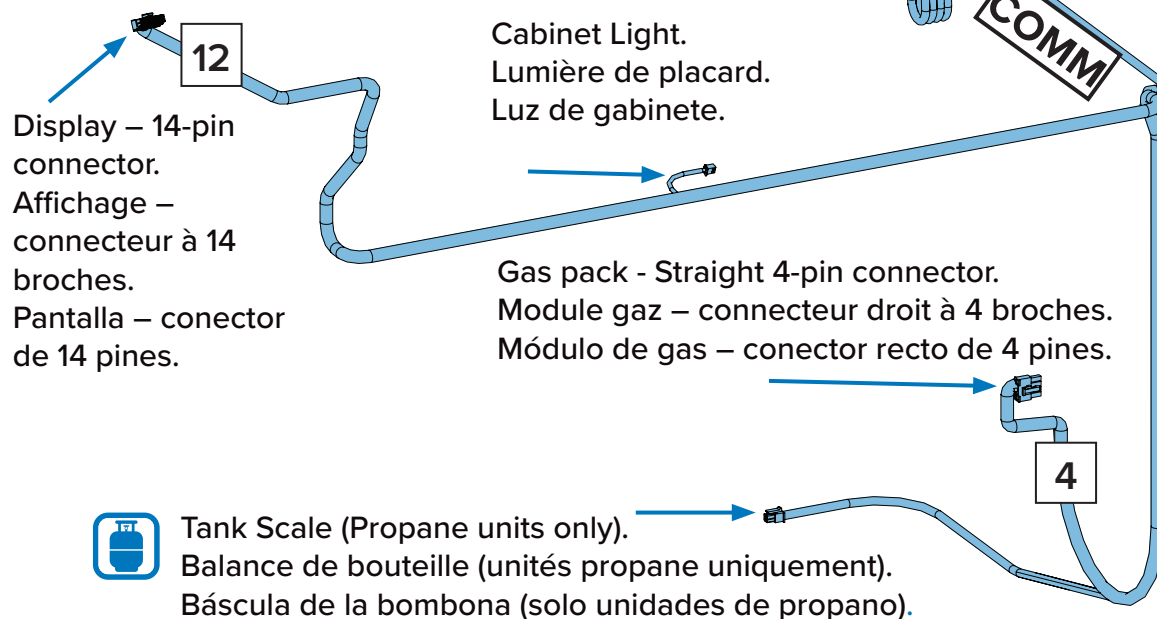

61

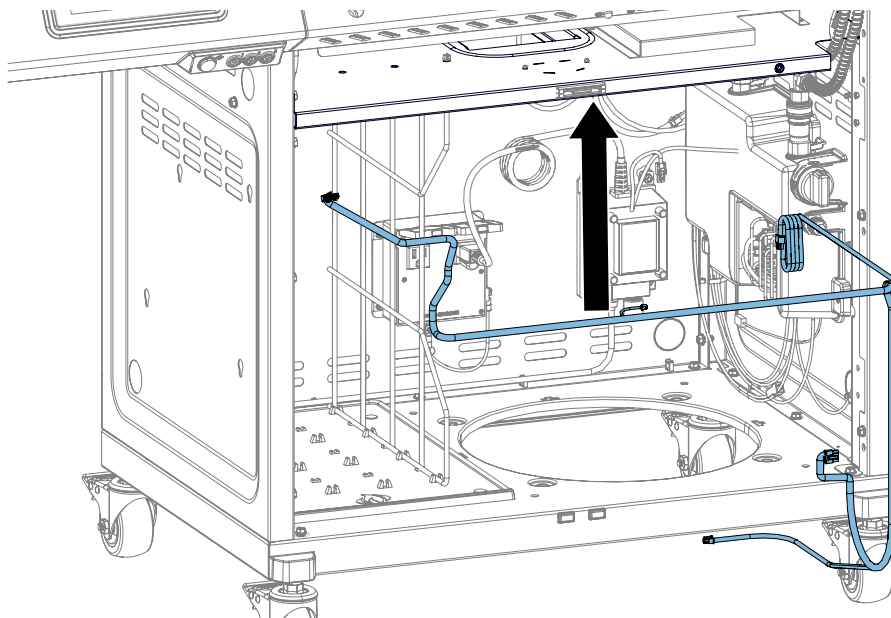

Unwind the wiring harness as shown.
 Déroulez le faisceau électrique selon l'illustration.
 Desenrolle el arnés eléctrico según se indica.

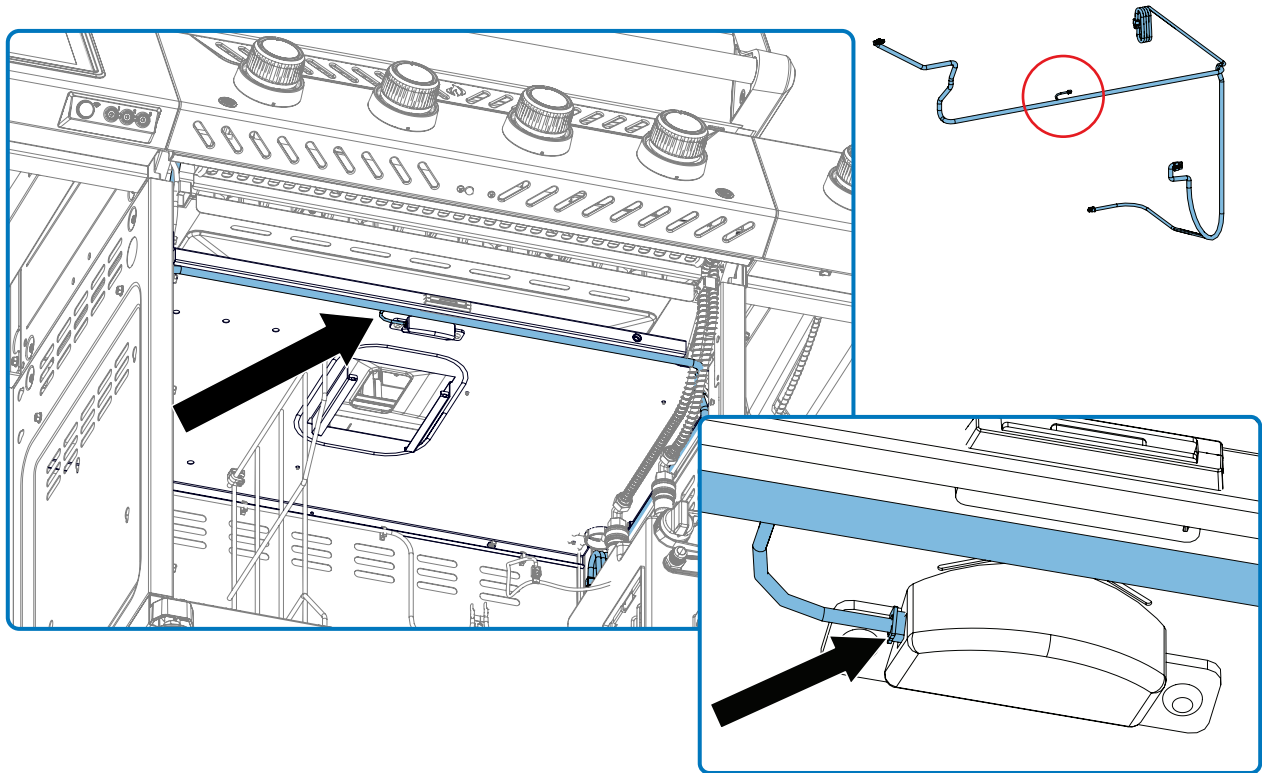

Optional Smoker.
 Option fumoir.
 Opción de ahumador.
